August–October 2017

Welding
National Certification!

Welding – NCCER Certification - GI Bill Eligible!

Become a nationally certified Level 1 Welder! Learn general safety, common hazards, oxy fuel, plasma arc, air carbon, base metals, joint design, quality workmanship, SMAW and electrodes. Levels 2, 3 and 4 are also available. The American Welding Society estimates 10% growth in jobs in the next decade. The average hourly wage nationally is \$17.81 (EMSI 2014), and there is opportunity to grow within the profession.

More information ▶ CravenCC.edu/Welding-Certification

NEW! Bar and Beverage Management

Want to become a bartender or take your bar-tending career to the next level? In our new Bar and Beverage Management course you will receive instruction in the traits, ingredients, production and service of alcoholic beverages. This course will also help you gain a comprehensive understanding of The Ten Pillars of Restaurant Management.

Learn more/Sign up! Call ▶ (252) 638-7248

NEW! Avionics Electronics Technician

Avionics Electronic Technician (NCATT AET) Certification prepares you to be an electronic maintenance and repair specialist. An avionics aircraft technician is a specialist who is responsible for all the electronics aboard an aircraft as well as the wiring that connects to the electrical system. Students will perform the skills learned in the aviation electronics lab and on aircraft that are available onsite during the training.

Advanced Manufacturing for Veterans = Great Jobs

We prepare active duty military and veterans for careers and connect them with job opportunities in North Carolina. The 15-day course is a collaboration between Craven Community College, East Carolina University and Duke Energy (**FREE tuition** sponsored by Duke Energy).

Call ▶ **Kim Zaccardelli (252) 444-6013** or zaccardk@cravencc.edu

NEW! Scholarships for Veterans

Workforce Development (WFD) recently received a donation from a local veterans group to fund scholarships. The scholarship pays 90% of WFD course costs (up to \$350.00) for veterans and/or their eligible dependents. Applicants must provide proof of an honorable discharge from any branch of the military (DD-214). Eligible dependents must also show proof of dependency. Funds are limited.

To apply ▶ **go to the Havelock or New Bern campus WFD office and speak with a representative.**

EMT Basic (Emergency Medical Technician)

Craven Community College's EMT hybrid program offers a great entry point into an emergency medical services (EMS) career. Along with online assignments and ride time, this 10-week course meets two nights a week to get hands-on training with our ambulance and simulation manikins. We also offer EMS classes such as: AEMT, Paramedic, American Heart Assoc. courses (CPR, ACLS, PALS), online continuing education and many more.

See all classes ▶ CravenCC.edu/EMT

Pharmacy Tech

Learn the skills to assist pharmacists in retail and medical practices. Preparation for the national PTCB (Pharmacy Technician Certification Board) exam is included in the program. Exam fee is an additional fee paid to PTCB.

See all health care classes ▶ CravenCC.edu/Medical-Programs

NC Nurse Aide I

NC Nurse Aide I training at Craven CC is designed to teach skills essential to provide direct patient care under the direction of a licensed nurse. Nurse aide jobs are in high demand and upon completion, job opportunities at various medical facilities such as hospitals, skilled nursing homes, assisted living facilities, home health agencies, and private offices or agencies are available.
