Career Connections

February – April 2017

95% of students would take our courses again!

New! HVAC Training Program

New! HVAC Training

Our heating, air conditioning and refrigeration (HVAC) training programs will provide you with skills to design, install and service air conditioning, heating and refrigeration equipment in residential and light commercial settings. We offer three levels of national certification (NCCER) training to help you advance and excel. HVAC job growth is much faster than other occupations (bls.gov).

Hurry! Level One class starts Monday, January 23, 2017.

More info ▶ CravenCC.edu/HVAC or call (252) 638-0857

Medical Programs

Quickly prepare for a job in a growing, high-demand health care profession. Get hands-on training from experienced instructors for these health occupations:

Activity Director	Pharmacy Technician
Cardio & EKG Technician	Phlebotomy Technician
Medication Aide	Physical Therapy Tech/Aide
Nurse Aide I	Nurse Aide II
and more!

See all health care classes ▶ CravenCC.edu/Medical-Programs

EMT Basic (Emergency Medical Technician)

Craven Community College's EMT hybrid program offers a great entry point into an emergency medical services (EMS) career. Along with online assignments and ride time, this 10-week course meets two nights a week to get hands-on training with our ambulance and simulation manikins. We also offer EMS classes such as: AEMT, Paramedic, American Heart Assoc. courses (CPR, ACLS, PALS), online continuing education, and many more.

See all classes ▶ CravenCC.edu/EMT

Commercial Truck Driving (CDL License) - GI Bill Eligible!

Train for a career that will take you places. Our CDL Class "A" and "B" training will prepare you to be a safe, defensive commercial truck driver who masters driving and the rules of the road. In as little as 7 weeks, you will be ready for the skills and road tests. Make plans to attend an upcoming orientation.
