**YOUR CAREER OPPORTUNITIES NEED A LIFT**

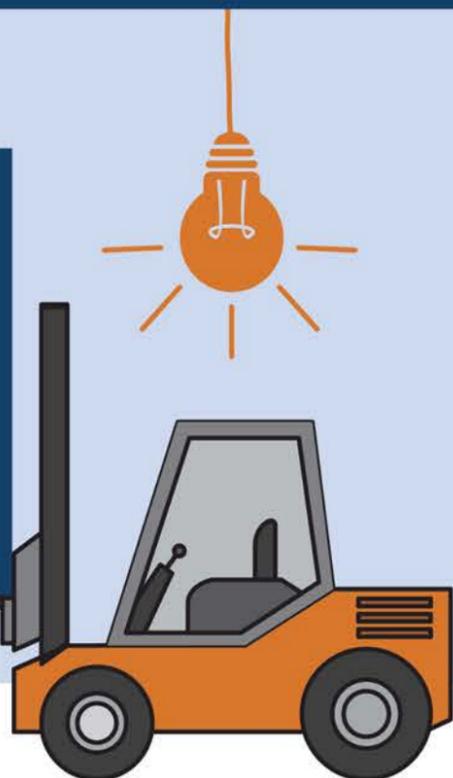

**CAREER CONNECTIONS**  
 Upcoming Classes | August - October 2018

# HOW WORKFORCE DEVELOPMENT CAN WORK FOR YOU

## WORKFORCE DEVELOPMENT

This is what opportunity looks like. Dozens of career options and job opportunities are stacked up and waiting for you in the Workforce Development program at Craven Community College (Craven CC). Whether you are looking to make a career change or need to update your résumé, Craven CC has a program that can get you on the path toward a new opportunity in a matter of weeks.

## MANUFACTURING CAREER PATHWAY

Local manufacturers are looking for employees with entry-level skills and certifications offered by our Manufacturing Career Pathway program. Students learn about working on an assembly line, workplace ethics, safety, precision measurement, forklift operations and an introduction to Microsoft Word. All students who complete the program have an opportunity to interview with a local company that is currently hiring and scholarships pay for 100% of tuition costs.

Electrician\*  
HVAC\*  
Plumbing\*  
Welding\*  
OSHA  
HAZMAT

\*class is NCCER certified

### BARBERING CONCEPTS

Barbering Concepts will assist you in becoming a professional barber-stylist. Full-time and part-time programs are available and require no prior experience.

### PUBLIC SAFETY

We deliver training in the areas of Emergency Medical Services, Fire Services, and Law Enforcement. Students are able to obtain certifications that lead to initial employment or advancement.

### REAL ESTATE

Learn what you need to pass the NC licensing exam, complete your post-licensing education, or enroll in continuing education classes to meet state requirements for license renewal.

### CAR DETAILING

Turn your passion for a pristine vehicle into a career and earn credentialing through the International Detailing Association.
