

# MAJOR/CATASTROPHIC SPILLS PROCEDURE

---

*Approval: June 2012*

*Revision:*

---

Major spills are those that are likely to cause personal injuries or result in extensive damage to property. No individual should attempt to deal with a major spill alone.

Summon help immediately when it is determined that the spill is classified as a major or catastrophic spill. Notify Security (638-7261) and Security will notify the appropriate personnel. Security will determine evacuation procedures as needed.
