

How to Register for a Class

In order to register for a class, you must be **accepted** to Craven Community College. Also, you can only register during **designated registration times** (see registration information on our website and posted on WebAdvisor) **and after you have met with an advisor**.

Please note: If you have any outstanding restrictions on your account, you will not be allowed to register.

There are two methods you can use to register:

- **Search and register for sections** - to be used if you need to find the course you want to register for

Synonym	Subject	Course Number	Section Number	Term
<input type="text"/>	CIS - Information Systems	110	95	Fall Semester 2007

- **Register for previously selected sections** - to be used if you have previously searched and found the course that you want to register for (can be used like a shopping cart)

To Register for a Class:

- **Log In** to your WebAdvisor account
- Click on **Students**
- Click on **Register for Classes**
- Click on **Search and register for sections**
- Search and find the course that you would like to register for
- Select the course that you would like to register for
- Click on **Submit**
- Select **Register** from the Action box
- Click on **Submit**

IMPORTANT: If you receive a message that you don't understand, please contact your advisor.
