

CRAVEN COMMUNITY COLLEGE
2008 Graduate Follow-Up Survey
April 2009

Please complete this survey by marking the most appropriate answer to each question. Your responses will be reported anonymously to protect your privacy. The information gathered from this survey provides us with valuable data that will be used to help us improve the quality of our programs and better meet the needs of our students. It also provides us with outcome data needed by the North Carolina Community College system as to where our graduating students find jobs and the type of positions they obtain with the education received at Craven CC. Please complete this survey and return it to us in the enclosed postage-paid envelope by May 18, 2009.
