

CLASSROOM ACCESS - BP 4.3

Legal Authority: NCGS 115D-20

Approval: April 19, 2011

Revision:

Classroom Access

The Board prohibits the unnecessary disruption of classes, labs, and shops. Therefore, persons must be registered students for a particular course before they can enter the classroom, lab, or shop where that course is meeting, except for (i) those special guests or speakers granted temporary access by the instructor, and (ii) College officials and their invitees while conducting their official duties. Minors, including children of registered students, shall not be granted access to a class, lab, or shop except with the prior approval of the President.
