

PLAN OF STUDY

Associate Degree Nursing – A45110

The following plan of study is the standard curriculum for the above program. Any deviation from the prescribed curriculum must have approval in advance. All prerequisite course requirements must also be met. To graduate the student must successfully complete all the required courses, the required credit hours for electives, and have at least a 2.0 overall grade point average. This plan of study is subject to change when the college thinks such action is in the best interest of the student or the program. It is the responsibility of the student to meet requirements for graduation. If accepted students do not enroll for three successive semesters, they must contact the Admissions office to determine if readmission is necessary.

Program Pre-Requisites

- Completion of all developmental English (must be able to take ENG 111) and Reading courses (DMA 010,020,030,040,050), if indicated by college placement test.
- Chemistry at the high school level or above with a C or better.
- Acceptance to the program based on admission criteria including 2.5 overall GPA.
- Current unrestricted listing on the NC Registry as CNA I or above.

Program Co-Requisites

- Completion of all general college courses is strongly encouraged prior to entering the nursing program.

Additional Requirements

- A 2.0 is the minimum cumulative grade point average required for progression within the nursing program.
- Successful completion of all courses as outlined in the master schedule – NUR courses must be completed with a “B” or greater and support courses with a “C” or greater – required before Nursing students will be allowed to register for the succeeding semester.

Note

- Advanced standing (transition) students are given credit for NUR 111– Introduction to Health Concepts, NUR 112 Health-Illness Concepts and NUR 114 Holistic Health Concepts based on successful completion of NUR 214. Transition students will enter the third semester of the program provided they have met the admission criteria outlined for the advanced standing program, have completed all co-requisites for semester one and semester two and there is space available.
