PLAN OF STUDY

Associate Degree Nursing – A45110

HEALTH PROGRAMS

The following Plan of Study is the standard curriculum for the above Program. Any deviation from the prescribed curriculum must have approval in advance. All prerequisite course requirements must also be met. To graduate, the student must successfully complete all the required courses, the required credit hours for electives, and have at least a 2.5 overall grade point average. This Plan of Study is subject to change when the college determines such action is in the best interest of the student or the Program. It is the responsibility of the student to meet the requirements for graduation. If accepted students do not enroll for three successive semesters, they must contact the Admissions Office to determine if readmission is necessary.

Program Co-Requisites

- Completion of all general college courses is strongly encouraged before entering the nursing program.

Additional Requirements

- A 2.5 is the minimum cumulative grade point average required for progression within the nursing program.
- Successful completion of all courses as outlined in the master schedule—NUR courses must be completed with a B or higher and support courses with a C or greater—required before Nursing students will be allowed to register for the succeeding semester.
