

HEALTH PROGRAMS

PLAN OF STUDY

Associate Degree in Nursing – A45110

Transition Nursing

The following Plan of Study is the standard curriculum for the above Program. Any deviation from the prescribed curriculum must have approval in advance. All prerequisite course requirements must also be met. To graduate, the student must successfully complete all the required courses, the required credit hours for electives, and have at least a 2.5 overall grade point average. This Plan of Study is subject to change when the college determines such action is in the best interest of the student or the Program. It is the responsibility of the student to meet the requirements for graduation. If accepted students do not enroll for three successive semesters, they must contact the Admissions Office to determine if readmission is necessary.

Course	Title	Hours				Credit	Grade	Semester	Remarks
		Lecture	Lab	Clinical	Contact				
1st Term Fall 2020									
ACA 111	College Student Success	1	0	0	1	1			
	OR

PHI	215	Philosophical Issues	3	0	0	3	3			
PHI	240	Introduction to Ethics	3	0	0	3	3			

Additional Requirements

- A 2.5 GPA is the minimum cumulative grade point average required for progression within the nursing program.
- Successful completion of all courses as outlined in the master schedule — NUR courses must be completed with a B or higher and support courses with a C or higher — required before Nursing students will be allowed to register for the succeeding semester.

NOTE:

Transition Nursing Program students are given credit for NUR 111 Introduction to Health Concepts, NUR 112 Health-Illness Concepts, and NUR 114 Holistic Health Concepts based on successful completion of NUR 214 Nursing Transitions Concepts.

Transition Nursing Program students will enter the third semester of the traditional ADN Program provided they have met the admission criteria outlined for the Program, have completed all co-requisites for semester one and two, and there is space available.
