NOTE TO ADMITTED APPLICANTS

While applicants to Nursing programs do not need a criminal background check to apply, clinical facilities may have criminal background checks, drug screenings, proof of U.S. citizenship, and other requirements that must be met prior to participation at the clinical site. Expenses associated with these requirements are the responsibility of the student. Pending outcome, clinical facilities may deny a student the opportunity to participate in the clinical portion of the program. A student who is unable to participate in clinicals cannot begin a nursing program at Craven Community College.
