# HOW FAR DO YOU WANT TO GO?

Take a step toward Craven Community College and begin a journey toward new opportunities. Discover how our programs allow you to earn a quality education at an accredited college, while also providing you with the flexibility to **stay local**, keep working, and graduate with **no college debt**. With dozens of program opportunities and support services available in New Bern, Havelock, and online, the first step toward a college degree has never been easier.

## UNIVERSITY TRANSFER

Students work toward an Associate in Arts, Science, Engineering or Fine Arts that prepares them to **transfer to a four-year university** to pursue a bachelor's degree or more. This path provides students with a high value college education at a **fraction of the tuition cost** seen at most four-year universities.

## CAREER & TECHNICAL

Many in-demand careers rely on a workforce that has technical knowledge that does not require a four-year degree. Utilizing our well-equipped labs and training facilities, students receive certificates and degrees related to **welding, automotive, IT, aviation, criminal justice**, and many more.

## HEALTH CARE PROGRAMS

The medical field offers a wide range of career opportunities. Get **hands-on training and personalized instruction** in programs such as **nursing**, health information technology, physical therapist assistant, pharmacy technology, medical office administration, and others.

## WORKFORCE DEVELOPMENT

Many careers require employees to continue their education to remain up to date on the latest technologies and trends, while others require specific certifications before a person can begin work. We provide those **development opportunities for industry needs** that range from construction and truck driving to welding and first responder certifications.

*"I've done quite a lot with Craven, and I didn't think I would find that in a community college setting." –Kayla S.*

Through our programs, clubs, and community service partnerships, we aspire to expose all students to experiences that enrich their educational and career goals. Craven Community College has an active Student Government Association, Hurst Student Ambassadors, and more than 15 clubs and organizations. Our leaders work hard to sponsor international trips, community events and volunteer opportunities so students can enjoy a college experience beyond classrooms, textbooks and computer screens.

*"Thank you for teaching this excellent Workforce Development class. It was exactly what I was looking for. It was perfect for someone like me who likes to explore different career paths."*

*– Donna B.*

# LOWER YOUR COSTS

A college education is valuable but it does not have to be a financial burden. Thanks to scholarship support from the Craven Community College Foundation, as well as Federal grants and loans, Craven CC students have received \$7,837,296 in financial support.\*\* Several programs are also eligible for VA benefits, including plumbing, truck driving, HVAC, barbering, and Aviation Maintenance Technician.

\*\*2015-16 ACADEMIC YEAR

*"As I started my classes, I realized that there is so much more that Craven offers. I feel as if Craven opened up many doors for me."*

*– Melissa V.*

*"I would recommend  
Craven CC to high school  
students because you can  
gain the same knowledge  
as the first two years at  
a university, but at a  
much lower cost."*

*– Barry W.*
