2019 Annual Security Report

A Message from the Vice President for Administration

Welcome to Craven Community College. The top priority of the Campus Security Department is to create a safe environment conducive to learning. We achieve this through state-of-the-art technologies, regular reporting, educational programs and training, special security events/drills and other opportunities that encourage crime prevention. Our Campus Security Department works closely with law enforcement agencies to take a proactive stance to protect all students, employees and visitors.

However, we acknowledge there are no risk-free environments. The tools and resources we provide supplement and support our vigilant community, which includes you.

The College has adopted the policies, procedures and practices set forth in this report. These are designed in the best interest of everyone's safety and enacted to minimize and prevent losses due to criminal activity, damage to College and personal property and most importantly, serious injury to members of the campus community.

This Annual Security Report (ASR) complies with the latest requirements of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. It presents not only crime statistics, but also information to help users stay safe while at the College. Please familiarize yourself with its content, and do not hesitate to reach out to the departments and programs listed in this report for more information regarding available resources.

We appreciate your cooperation in abiding by College policies and procedures, and in assisting us in making our campus a great place to obtain an education, work and visit. Remember, if you "See Something, Say Something".

We are at your service. Thank you for your commitment to safety and security.

Jim Millard

Vice President for Administration

Individuals may obtain a copy of this report by contacting the Campus Security Office at 800 College Court, New Bern NC 28562, by calling 252-638-7261 or by visiting the Craven Community College website at:

Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act

In November 1990, the Crime Awareness and Campus Security Act (Title II, Public Law 101-542) was signed into law. This law requires colleges and universities to produce and make available certain policy statements and statistics about campus crime. In November 1999, this Act was renamed The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act.

Clery Act requirements:

- Publish an annual report every year, by October 1st, that contains three years of campus crime statistics and certain campus security policy statements
- Disclose crime statistics for the campus public areas immediately adjacent to or running through the campus, and certain non-campus facilities and remote classrooms. The statistics must be gathered from campus police or security, local law enforcement, and other College officials who have “significant responsibility for student and campus activities”
- Provide “timely warning” notices of those crimes that have occurred and pose an ongoing threat to students and employees
- Disclose in a public crime log “any crime that occurred on campus or within the patrol jurisdiction of the campus security department and is reported to the campus security department”

2019 Annual Security Report

Overview of Campus Security

Security Mission Statement

The mission of Campus Security is to provide a safe, secure environment consistent with the educational goals of this institution, to enhance the well-being of students, faculty, staff and visitors, and to protect all College property.

Security Vision Statement

To be a center of excellence for security and emergency management known for leadership, innovation and service for the benefit of a safe campus where staff, faculty, students and community stakeholders unite to enhance the quality of life.

A college community, like any other community, experiences accidents, crimes, and injuries. No wall exists to protect the college from dangers that exist in the surrounding community. Unfortunately, absolute safety cannot be guaranteed to anyone. Therefore, students, employees, and visitors are also responsible for taking measures to protect themselves and their possessions. This document is provided as a part of Craven Community College's commitment to safety and security and is in compliance with federal law, specifically The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act or simply, the Clery Act.

2019 Annual Security Report

Partnerships with Local Law Enforcement Agencies

The Campus Security Department has a professional working relationship with the City of New Bern Police Department (NBPD), Havelock Police Department, the Craven County Sheriff's Department (CCSD), the NC State Bureau of Investigation (SBI), the Federal Bureau of Investigation (FBI) and the NC Highway Patrol. This cooperation includes investigations of alleged crimes, emergency response, special event coordination, training, prevention efforts, campaigns on campus and large scale exercises.

Craven Community College operates under a written MOU with the Craven County Sheriff's Office to provide two full-time sworn School Resource Officers. Resource Officers act as a law enforcement officer with the primary purpose of keeping the peace on college campuses. Resource Officers also provide guidance to students, share law enforcement experiences and perspectives with College classes, and perform other duties as assigned by the College and approved by the Sheriff. Resource Officers are required to be properly licensed, trained and skilled in the performance of their duties to be assigned at the College.

Craven Community College also employs part-time Craven County Sheriff's Deputies in the event that law enforcement assistance is needed. The School Resource Officers and Deputies have full powers of arrest and are responsible for enforcing federal, state and local laws along with certain College policies.

Within the designated city limits of Havelock, the Havelock Police Department has the jurisdiction to enforce local statutes and ordinances at on-campus and non-campus areas.

2019 Annual Security Report

Reporting Criminal Incidents or Emergencies

Students, employees and guests are encouraged to accurately and promptly report all crimes and public safety-related incidents or emergencies to the Campus Security Department and the appropriate law enforcement agency, when the victim of a crime elects to, or is unable to, make such a report. Reports can be made as follows:

- To report any life-threatening emergency, call 911 or 9-911 from any campus phone
- To report a crime, or a non-emergency security or public safety related matter at the New Bern Campus, call Campus Security at extension 7400 or 7261 from an on-campus phone, or from outside the College phone system, call 252-638-7400 or 252-638-7261. Reports on the New Bern Campus may also be made in person to the Security Office located in the Brock Building, Suite 131
- To report a crime, or a non-emergency security or public safety related matter at the Havelock Campus, call 252-444-3343
- To report a crime, or a non-emergency security or public safety related matter at the Volt Center, call 252-617-0324.

Campus Security Officers are available 24/7 to answer calls on the New Bern Campus. Upon receiving a report of a crime or an emergency, a Security Officer will respond. The response may include, but is not limited to, filing a written report, taking witness statements, making a disciplinary referral or dispatching a Resource Officer if needed. The Director of Security and Emergency Management and the Coordinator of Security Services review all incident reports and, when appropriate, forward reports to the Behavioral Intervention Team (BIT). The Security Department investigates a report when it is deemed appropriate. Additional information obtained via the investigation will also be forwarded to the BIT. If further assistance is required during the investigation, the Security Department will contact the School Resource Officer.

Voluntary and Confidential Reporting of Crimes

Crimes and other serious incidents can be reported on a voluntary and confidential basis, such as an anonymous report of sexual assault, domestic or dating violence and stalking, for inclusion in the annual disclosure of crime statistics. Reporting Party's or witnesses may anonymously report an incident by calling Campus Security at 252-638-7261, the Coordinator of Security Services at 252-638-7400 or contacting a Campus Security Authority. With the anonymous information, Campus Security Officers can keep an accurate record of incidents, determine if there is a pattern of crime and alert the College to the potential danger. In the event a victim is unable to report a crime, we encourage any member of the College community to do so on their behalf. An anonymous report may also be filed online at: <http://cravencc.edu/anonymous-reporting-form/>.

2019 Annual Security Report

Campus Security Authorities

All Campus Security Officers are considered Campus Security Authorities (CSA). A CSA is any College official with significant responsibility for campus activity. In addition, the Office of the Dean of Student Services, the Campus Life Office, the Office of the Director of Student Services for the Havelock Campus, Title IX Coordinators and advisors of College sanctioned clubs, groups or activities are considered CSAs and are responsible for reporting all crimes covered by the Clery Act to the Campus Security Department. CSAs receive training on how to report crimes in compliance with the Clery Act. The Executive Director of Security and Emergency Management maintains a list of College CSAs, which is published annually on the Craven Community College website at <http://cravencc.edu/clery-act/>.

Anyone who has been a victim of a crime, or knows of anyone who has been a victim of a crime, is encouraged to report that information to a Campus Security Officer or a Campus Security Authority (CSA) for the purpose of timely warning reporting if necessary, and to facilitate collection of statistics for the annual security report.

The following information is gathered by CSAs to ensure proper statistical information is reported:

- Date incident reported
- Date of incident (to the extent it can be determined)
- Approximate time of incident
- Location of incident
- Brief description of alleged criminal activity
- Gender of victim

Responsible Employees

Responsible employees are required to report all the details of an incident involving sexual harassment, discrimination or sexual misconduct to the Title IX Coordinator. A report made to a “responsible employee” constitutes a report to the College- and generally obligates the College to investigate the incident and take appropriate steps to address the situation. Craven Community College considers all employees to meet the definition of a responsible employee.

Information reported to a responsible employee will be shared only with people responsible for handling the College’s response to the report. A responsible employee should not share information with law enforcement without the reporting party’s consent or unless the reporting party has also reported the incident to law enforcement.

Before a reporting party reveals any information to a responsible employee, the employee should ensure that the reporting party understands the employee’s reporting obligations, and, if the

2019 Annual Security Report

reporting party wants to maintain confidentiality, direct them to the Title IX Coordinator and the Title IX Coordinator will direct the reporting party to a confidential source.

If the reporting party wants to tell the responsible employee what happened but also maintain confidentiality, the employee should tell the reporting party that the College will consider the request, but cannot guarantee that the College will be able to honor it. In reporting the details of the incident to the Title IX Coordinator, the responsible employee will also inform the Title IX Coordinator of the reporting party's request for confidentiality.

Reporting Exceptions

Pastoral counselors and professional counselors acting within the scope of their license or certification are not considered a Campus Security Authority (CSA), under the Clery Act. Craven Community College does not utilize pastoral or professional counseling on campus. Students are referred to the Student Services Department and employees are referred to the Employee Assistance Program offered through McLaughlin Young.

Craven Community College has no officially recognized student organizations with non-campus locations. Any person(s) participating in College-sponsored, off-campus activities should report criminal incidents to the local law enforcement agency having jurisdiction and contact the Campus Security Department at 252-638-7261.

Daily Crime Log

A daily crime log is available at the Campus Security Office for review during normal business hours, excluding holidays. If there is no one in the office during business hours, please call 252-638-7261 to have a Campus Security Officer meet you. The information in the daily crime log includes the nature, date, time, general location, and disposition of each crime. Names are omitted for confidentiality and for the purpose of Clery Act reporting. Information may be withheld if release of the information may jeopardize an ongoing investigation.

Timely Warning Notices

A campus wide “timely warning” will be issued in the event that a situation arises involving a Clery Act crime, either on or off campus, that, in the professional judgement of the Director of Security and Emergency Management or their designee, constitutes an immediate ongoing or continuing threat to the health or safety of the College community.

Members of the College who know of a crime or other serious incident should report the incident immediately by phone to the Campus Security Department at 252-638-7261, so that a timely warning can be issued, if warranted. The College is not required to issue a Timely Warning with respect to crimes reported to a pastoral or professional counselor.

The Director of Security and Emergency Management or a member of the Executive Leadership Team is responsible for confirming the legitimacy of an emergency or dangerous situation. Upon confirmation of an emergency or dangerous situation, the College’s Emergency Management Plan will be activated based on the emergency or dangerous situation that exists.

The Director of Security and Emergency Management, or designee, will determine the content of the notification. Timely warnings are provided to students and employees in a manner that is timely, that

2019 Annual Security Report

withholds the names of victims as confidential, and that will aid in the prevention of similar occurrences.

Timely Warning Delivery Methods

The Director of Security and Emergency Management, or designee, will issue timely warning notices to current students and current employees using various delivery methods. Delivery methods are chosen based on the nature of the crime or emergency, if the crime or emergency is considered a continuing danger to the College community, and if the notification does not pose a risk to law enforcement efforts. Timely warning notices may be delivered by any or all of the following methods:

Emergency Notification System (ENS) - This system includes: verbal commands, LED boards, strobe lights, and interior/exterior speakers.

E-mail notifications through Outlook - Depending on the nature and location of an emergency, Craven Community College may send a message to all current students and employees to their College e-mail account.

Cisco Voice Over IP – VoIP carry voice calls over an internet protocol IP network with features such as call routing, voicemail, contact centers, and more.

Rave- Text Alert Emergency Notification - Allows text message notification to all members of Craven Community College who have a mobile number on record. To sign up for emergency text alerts visit:

Emergency Response and Evacuation Procedures

Emergency Management Philosophy

Craven Community College utilizes an approach that facilitates mitigation, preparedness, response and recovery to ensure operational continuity. This approach includes plans and procedures to address incidents from an all hazards approach as well as staffing, equipment and systems designed to support emergency response activities.

The President of Craven Community College, authorizes the Emergency Management Plan (EMP) and has appointed the Director of Security and Emergency Management to develop, implement, administer, evaluate and maintain the plan. The Emergency Management Plan is reviewed and updated annually.

Emergency Management Plan

Craven Community College established an Emergency Management Plan (EMP) to minimize the impact of an emergency on students, employees, visitors, and facilities. The EMP guides the emergency response of personnel and resources on all campuses. The plan provides policies and procedures and assigns roles and responsibilities necessary to respond effectively to an emergency. The College utilizes the National Incident Management System (NIMS) as the basis for its approach.

The plan works in conjunction with area first responders and is subordinate to local, state and federal plans during a disaster declared by these authorities. A copy of the plan is provided to the Craven County Emergency Management Office, the Craven County Sheriff's Department, New Bern Police and Fire Departments and Havelock Police and Fire Departments. Proposed changes to the plan shall be submitted to the Director of Security and Emergency Management.

Emergency Reference Guide

An Emergency Reference Guide for students and employees is posted in classrooms and office suites throughout the campus. The guide includes information and safety recommendations for severe weather, hazardous material, infectious spills or fluids, emergency contact numbers, fire, evacuation, hostile intruder, bomb threat, medical emergency/first aid kit and AED locations, reporting safety concerns/violations or threats, and campus-wide emergency lock downs.

Crisis Response Team

Craven Community College utilizes a Crisis Response Team (CRT) to assist with coordination, development, implementation, evaluation and maintenance of the College's emergency response. This team consists of employees from throughout the campus with members appointed by the Vice President for Administration. Taking into account the safety of the community, they will determine the content of the notification and can initiate the notification system. The Crisis Response Team

2019 Annual Security Report

receives annual training on how to write content of notifications and how to initiate the notification system.

Evacuation Procedures

Evacuation procedures are included in the Emergency Management Plan. Each building has an emergency evacuation map with all emergency routes from each of the various rooms in the building specified on the plan. College employees should become familiar with proper escape routes from each building and lead students and guests from the building during a drill or real emergency.

In the event of an emergency, follow the evacuation map for that building. Elevators are not to be used in drills or real emergencies where the building must be evacuated quickly. People who are unable to use stairs should wait in a stairway “area of rescue”. Members of the Campus Security Department, Crisis Response Team, or law enforcement will assist in the rescue and may use evacuation chairs located in the second floor stairways. Individuals should report to the Emergency Rally Point designated for their location. Rally Point Maps are located in classrooms. No one should re-enter a building until the “all clear” announcement is given.

Emergency Notifications

Upon notification of an emergency or dangerous situation, the Campus Security Department and/or School Resource Officer will be utilized to confirm the validity and significance of the situation. In the event that an emergency notification is necessary, the College will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgement of responsible authorities, compromise efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency.

On-campus events that pose a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees are communicated through the Emergency Notification System, email, telephone system, Rave and/or the website. Emergency events that affect the New Bern Campus will be communicated to the entire campus, and will not be communicated on the Havelock Campus or the Volt Center. Emergency events that affect the Havelock Campus will be communicated to the entire Havelock Campus, and will not be communicated on the New Bern Campus or the Volt Center. The Director of Security and Emergency Management, the Campus Security Department and/or Crisis Response Team, is responsible for initiating the notification system and ensuring that only the impacted campus is notified.

The content of emergency notifications is determined by the Director of Security and Emergency Management or designee, based on an assessment of the situation, whether the situation constitutes an ongoing or continuing threat and how much information is appropriate to disseminate at different

2019 Annual Security Report

points in time. Follow-up information to emergencies is provided through the Emergency Notification System, email, telephone system, Rave and/or the website.

The Campus Security Department and the Communications Office work together to alert the larger community about incidents affecting the College campus and the College's response to those incidents. Multiple communication channels are utilized including but not limited to radio, TV, newspaper and social media. The Director of Communications or designee, is responsible for developing all community releases, with the input of the Director of Security and Emergency Management

Testing Emergency Response and Evacuation Procedures

Preparation and practice are the best ways to successfully handle any emergency event. For this reason, the Emergency Management Office schedules, plans and executes several types of tests each year that address emergency response and evacuation on a campus-wide scale. Tests are designed to evaluate emergency plans and capabilities and can include fire drills, active shooter exercises and weather drills, which include a shelter-in-place contingency. These tests may involve both the College and the community at large. Tests may be announced or unannounced. The Director of Security and Emergency Management in conjunction with the Crisis Response Team, is responsible for developing measurable goals for each emergency response or evacuation test conducted and designing assessments to determine if the test met its goals. At the conclusion of each exercise the Director of Security & Emergency Management, the Security Department, and the Crisis Response Team (CRT) hold a debriefing to review the test through means such as surveys, interviews or observations.

The Director of Security and Emergency Management is responsible for documenting a description of each test conducted, the date/time started/ended, the outcome and whether the test was announced or unannounced. Craven Community College will publish, through various methods, a summary of its emergency response and evacuation procedures in conjunction with at least one drill or exercise each calendar year.

Fire Drills

Craven Community College is classified as a Business Group (B) in the North Carolina State Fire Codes (NCFC), because the College does not have on-campus residence halls. In accordance with NCFC 405, table 405.2, Craven Community College is required to conduct fire and evacuation drills on an annual basis. Evacuation is used to safeguard students and employees when a threat exists in a portion of, or in the entire building. These drills include removal from class until the "all clear" announcement, at which time the class will reconvene. The evacuation drills are designed to prepare buildings for an organized evacuation in case of fire and are used to educate and train occupants on issues specific to their building. During the drill, occupants practice drill procedures and familiarize themselves with the location of exits, rally points and the sound of the fire alarm. Fire drills also provide the College

2019 Annual Security Report

an opportunity to test the operation of fire alarms or related emergency notification system components.

Weather Drills

Shelter-in-place drills are used to safeguard students and employees when a threat exists outside of the College that demands taking immediate shelter within the College. Drills are conducted annually to familiarize students and employees with shelter-in-place procedures.

Active Shooter Exercises

Lockdown exercises are used to safeguard students and staff when a threat exists within the building and evacuation is not possible. The goal is to secure all or part of the campus to prevent a perpetrator from entering College facilities. Because the College takes a proactive stance in regards to the threat of shooters on campus, the Campus Security Office holds two types of Active Shooter Exercises so the College community, as well as the community-at-large, is prepared to respond and work together cohesively to ensure the best outcome.

1. ***Active Shooter Table Top Exercise:*** This exercise includes key community emergency-response organizations and is designed to discuss how to successfully handle and meet the following objections:
 - a. communications/interoperability
 - b. incident command/unified command
 - c. mass casualty
 - d. scene perimeter/security
 - e. public information/media
2. ***Large Scale Active Shooter Exercise:*** This is a “mock” scenario for an active shooter on campus. Several response agencies attend and actively participate in the exercise where we meet the objectives as discussed in the Table Top Exercise as listed above.

Active Shooter/Armed Assailant Threat on Campus – Response Options

The College community should be prepared to take self-protection measures appropriate to the emergency. Authorities will respond immediately and assertively to a report of an active shooter. A CCC Active Shooter Video has been made available to employees and students to show their different survival response options during such a horrific event:

<http://www.kaltura.com/tiny/n9gyg>

2019 Annual Security Report

Active Shooter or Armed Assailant situations are unpredictable and evolve quickly, even before police arrive, so you must be prepared to protect your life. The action you are recommended to take is to Run, Hide, or Fight:

“RUN” - Evacuate the Building or Area:

- If you are in a building or area where actual shooting is occurring, get away from the threat, towards a designated rally point.
- If you think you can escape, then do so. GET OUT.
- Once outside the building, run towards the designated rally point with your hands visible and raised above your head.
- You may have to wait for law enforcement or CRT Members to meet you at the rally point.

If you're in a building where you have not observed a threat yet, sounds of gunfire is not close, or if you cannot safely get out, then you may want to hide.

“HIDE” - Secure the immediate area – whether a classroom, closet, or office:

- If able, lock or barricade the door. Block the door using whatever is available: desks, tables, file cabinets, other furniture, books, etc.
- After locking and/or securing the door, stay behind solid objects away from the door as much as possible. Don't let anyone in or you could be vulnerable.
- If a suspect(s) enters your room and leaves, lock or barricade the door behind them.
- If safe to do so, allow others to seek refuge with you.
- Hide so you can't be found by the suspect(s).
- Avoid hiding in restrooms, as they typically cannot be secured.
- When hiding, take appropriate steps to reduce your vulnerability:
 - Close blinds
 - Block windows and/or cover windows
 - Turn off radios and computers
 - Silence cell phones
 - Turn off lights
 - Keep people calm and quiet
 - Do not sound the fire alarms. This may cause others to flee the buildings and put them at risk
 - Call 911 immediately as well as Security at (252) 638-7261 (New Bern) or (252) 444-3343 (Havelock) if it is safe to do so
- When in Hallways and other Open Areas:
 - If you are indoors, seek concealment in an open room or behind a substantial object
 - Do not expect those in barricaded room to open the room to admit you because they have no way of knowing that you are not the suspected shooter
 - Consider trying to escape if you know where the assailant is and there appears to be a safe escape route immediately available to you
 - If in doubt, find the safest area available and secure it the best way you can
 - **If you are out-of-doors** seek concealment behind cars, dumpsters, or other large objects Use extreme caution when moving across campus because this makes you a

2019 Annual Security Report

visible target

- If you spot the suspected shooter, call 911 immediately as well as Security at (252) 638-7261 (New Bern) or (252) 444-3343 (Havelock) and tell them:
 - Exact location of the incident and if the suspect is still shooting
 - Condition of the victim(s) and the number of victim(s)
 - Brief description of the clothing worn by the suspected shooter(s), vehicle description, and direction of shots fired
 - Type of weapon used (handgun, rifle, shotgun etc.)
 - Direction of travel or location of the suspect
 - Anything you may have heard the shooter say

“FIGHT” - Stop the threat:

As a last resort, and only if your life is in imminent danger, attempt to disrupt or incapacitate the suspect(s). Numerous people in a room may be able to disable the shooter versus doing nothing and becoming an easy target. Do not allow yourself to be an easy target! Possible actions you can take:

- Acting as aggressively as possible against him/her.
- Tackle the suspect(s).
- Throwing items and improvising weapons (textbooks, laptops, etc.).
- Commit to your actions...your life depends on it!

Secure/Un-Secure areas:

- The assailant may not stop until his/her objectives have been met or until engaged and stopped by law enforcement.
- Always consider the risk of exposure posed by opening the door for any reason.
- Attempts to rescue people outside a secure area should only be attempted if it can be accomplished without further endangerment to the people inside the secured area.
- Be aware that the assailant may bang on the door, yell for help, or otherwise attempt to entice you to open the door of a secured area.
- If there is any doubt about a threat to the safety of the individuals inside the room, the area needs to remain secured.
- Concealed Carry Permit (CCW) holders use caution if you go to your vehicle to grab a firearm as responding law enforcement officers may believe you are the threat.

Police Goal & Response:

- Law enforcement’s goal is to **locate**, **contain**, and **stop** the shooter.
- Everyone in the building will be considered a suspect.
- When the team of officers makes contact with you inside the building, do not run towards them.

2019 Annual Security Report

- Keep your hands visible and respond to their commands.
- Officers will engage with gunfire, anyone that is armed or moves on them in what can be perceived as an aggressive manner.
- If you are near the suspects when officers make entry, the best thing to do is drop as low as you can and stay there, with your hands visible until the team commands you to get up.

Injured Persons:

- Initial responding officers will not treat the injured or begin evacuation until the threat is neutralized.
- You will need to explain this to others in an attempt to calm them.
- Begin immediate first aid to those injured if able.
- Once the shooter(s) is contained, officers will begin treatment and evacuation.

Evacuation:

- Safety corridors will be established by law enforcement. This may be time consuming to set-up.
- Remain in secure areas until instructed otherwise - the Emergency Notification System can be used to call an all-clear and provide additional instructions.
- You may be searched – leave your personal belongings behind.
- You will be escorted out of the building by law enforcement personnel.

Final Adjudication of Incident:

- Once the perpetrator has been stopped and contained, law enforcement will declare whether the campus can be reopened.

2019 Annual Security Report

Access to Campus Facilities

Most College facilities are open to the public during the day and evening hours when classes are in session. During times the College is officially closed, College buildings are locked. Employees must obtain prior approval from their Department Head before being admitted to campus facilities during non-business hours. All Department Heads are encouraged to contact the Coordinator of Security Services at 252-638-7400 or via email at thomasj@cravencc.edu for employee access during non-business hours. When the campus is closed, students are admitted only when accompanied by a College employee. Craven Community College does not have any campus residences.

Security Technology

A video surveillance system is in place to monitor College facilities. Cameras are monitored during business hours by the Campus Security Department. These cameras help to:

- maintain secure facilities
- protect students and employees
- deter crimes
- prevent vandalism
- monitor parking lots
- assist to ensure College policies are properly followed

Locks on Classroom Doors

As a security measure, Craven Community College recommends that classroom doors **should** be in the locked position at all times. Some considerations are:

- If a door is open, keep it in the locked position. This ensures the ability to shelter in place quickly
- If a door is shut during class, it should be locked
- If you have a classroom where these expectations cannot be met, contact Campus Security immediately

Keyless Entry System

The keyless entry system has been installed on various campus perimeter doors and interior locations throughout the College. The system has many advantages, allowing the Campus Security Department and others to monitor the status and history of use for doors as well as to lock and unlock doors remotely. Access is controlled through key fobs. Key fobs are issued through a supervisory request to the Campus Security Department and the Facilities Department.

Emergency Phones

The New Bern campus and the Havelock campus have emergency call boxes, which connect callers directly to the Control Room 24 hours a day, 7 days a week. There are call boxes/stations on the New

2019 Annual Security Report

Bern and Havelock campuses that are located at the main entrance of each building. These campuses also have two call boxes in the parking lots. The boxes are activated by pressing the call button, which alerts the emergency number and/or 911. Campus Security can immediately identify the location of the caller even if the caller is unable to verbally communicate.

Security Considerations in the Maintenance of Campus Facilities

Facilities and landscaping are maintained in a manner that minimizes hazardous conditions. Campus Security Officers regularly patrol the campuses and report malfunctioning lights and other unsafe physical conditions to the Facilities Department via phone or by sending a helpdesk ticket for correction. Other members of the College community are encouraged to report equipment safety hazards to the Executive Director of the Volt Center at 252-638-3919 or email fostere@cravencc.edu or to the Executive Director of Facilities at 252-638-7260 or email melvillej@cravencc.edu.

Stalking

- **A Course of Conduct.** Two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means is in the presence of, or follows, monitors, observes, threatens, or communicates to or about a person, or interferes with a person's property constitutes a course of conduct.

- **A Reasonable Person.** One is considered a reasonable person in the victim's circumstances.
- **Substantial Emotional Distress.** Significant mental suffering or distress that may, but does not necessarily, require medical or other professional treatment or counseling is considered substantial emotional distress.

- **Classification.** A violation of this section is a Class A1 misdemeanor.
- **Jurisdiction.** Pursuant to N.C.G.S. 15A-134, if any part of the offense occurred within North Carolina, including the defendant's course of conduct or the effect on the victim, then the defendant may be prosecuted in this State.

Definition of Consent in the State of North Carolina

The State of North Carolina does not define consent. In North Carolina, the age when a person is able to consent is 16 years old N.C.G.S. 14-27.30. Current case law in North Carolina employs the concept that a threat of serious bodily harm which reasonably places fear in a person's mind is sufficient to demonstrate the use of force and the lack of consent. *State v. Morrison*, 94 N.C. App. 517, 522, 380 S.E.2d 608, 611 (1989).

Additionally, submission, including submission due to fear, fright, coercion or realization that in the particular situation resistance is futile is not consent. *State v. Ricks* 34 N.C. App. 734, 735, 239 S.E.2d 602, 603 (1977).

It is a crime to engage in sexual activity with a physically helpless person, which includes a person who is unconscious, when the person performing the act knows or should have reasonably known the other person was physically helpless. N.C.G.S. 14-27.20; §14-27.22; §14-27.27; §14-27.33.

2019 Annual Security Report

It is a crime to engage in sexual activity with a mentally incapacitated person when the person performing the act knows or should have reasonably known the other person was mentally incapacitated. N.C.G.S. 14-27.20; §14-27.22; §14-27.27; §14-27.33.

Definition of Consent at Craven Community College

Consent is defined at Craven Community College for educational and awareness purposes. For the purposes of Clery Act reporting, all sexual assaults that are reported to a campus security authority must be included in the College's Clery Act statistics and, if reported to the campus security department, must be included in the crime log, regardless of the issue of consent.

The definition of consent at Craven Community College is explicit approval and permission to engage in sexual activity demonstrated by clear actions, words, or writings. Consent is informed, freely given and mutually understood by all parties involved. If coercion, intimidation, threats, and/or physical force are used, there is no consent. If the Reporting Party was mentally or physically incapacitated or impaired so that they could not understand the fact, nature, or extent of the sexual situation, there is no consent; this includes conditions due to alcohol or drug consumption, or being asleep or unconscious, or under the age of legal consent, or unable to give consent under current law. Silence does not necessarily constitute consent, and past consent of sexual activities does not imply ongoing future consent. Whether the Responding Party has taken advantage of a position of influence over the Reporting Party may be a factor in determining consent. Consent to some form of sexual activity cannot be automatically taken as consent to any other form of sexual activity. Although consent may be given initially, it may be withdrawn at any point without regard to activity preceding the withdrawal of consent.

Bystander Intervention

Bystander intervention is the practice of employing safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual assault or stalking. Bystander engagement is encouraged through safe and positive intervention techniques and by empowering third-party intervention and prevention such as calling for help, using intervention-based apps, identifying allies, and/or creating distractions. Bystander empowerment training at the College, highlights the need for those who intervene to ensure their own safety in the intervention techniques they choose, and motivates them to intervene as stakeholders in the safety of the community.

Risk Reduction

Risk reduction tips can often take a victim-blaming tone, even unintentionally. With no intention to victim-blame, and with recognition that only those who commit sexual violence are responsible for those actions, these suggestions may nevertheless help you reduce your risk of experiencing a non-consensual sexual act:

2019 Annual Security Report

- If you have limits, make them known as early as possible.
- Tell a sexual aggressor “NO” clearly and firmly.
- Try to remove yourself from the physical presence of a sexual aggressor.
- Find someone nearby and ask for help.
- Take affirmative responsibility for your alcohol intake/drug use and acknowledge that alcohol/drugs lower your sexual inhibitions and may make you vulnerable to someone who views a drunk or high person as a sexual opportunity.
- Take care of your friends and ask that they take care of you. A real friend will challenge you if you are about to make a mistake. Respect them when they do.

Educational Programming

In an effort to reduce the risk of sexual misconduct as well as the crimes of rape, sexual assault, stalking, dating violence and domestic violence occurring among its students and employees, Craven Community College utilizes a range of campaigns, strategies and initiatives to promote awareness, educational, risk reduction and prevention programming.

It is the policy of Craven Community College to offer programming to identify and prevent domestic violence, dating violence, sexual assault (including stranger and known offender assaults) and stalking each year. Educational programs are offered to raise awareness for all incoming students and employees, and are often conducted during new student and new employee orientation and throughout an incoming student’s first semester.

Programs and other campaigns offered throughout the year to all students and employees include strong messages regarding not just awareness, but also primary prevention (including normative messaging, environmental management and bystander intervention) and discuss institutional policies on sexual misconduct as well as the Violence Against Women Act and the North Carolina definitions of domestic violence, dating violence, sexual assault, and stalking in reference to sexual activity. Programs also highlight the College’s prohibition of the crimes of domestic violence, dating violence, sexual assault and stalking and the definition of consent in the State of North Carolina and the definition of consent at the College, used to inform decision-making in reference to sexual activity. Programs also offer information on risk reduction that strives to empower victims, how to recognize warning signals, and how to avoid potential attacks, and do so without victim-blaming approaches and information on bystander intervention. Programs discuss procedures the College will follow when one of these crimes is reported and highlight disciplinary actions that may be imposed in cases of alleged dating violence, domestic violence, sexual assault and stalking. Programs are informed by evidence-based research and/or are assessed for their effectiveness. A list of the College’s program offerings can be found below:

Procedures Victims Should Follow

Reports of sexual harassment, discrimination and sexual misconduct, including sexual assault, dating violence, stalking and domestic violence are taken seriously at Craven Community College. If you are a victim of sexual misconduct, including but not limited to, dating violence, domestic violence, sexual assault or stalking, you are urged to contact the Campus Security Office or the Title IX Coordinator immediately. These crimes can also be reported to any Campus Security Authority (CSA).

The Title IX Coordinator can be reached at 252-638-7225 or in person in the Human Resources Office, Room 237 Brock Administration Building, Monday-Thursday from 8:00 am – 5:00 pm and Friday from 8:00 am – 2:00 pm. Summer semester hours are Monday-Thursday from 8:00 am – 5:00 pm.

Crime reports to Campus Security can be made at 252-670-2367 (emergency) or 252-638-7261 (non-emergency), 24 hours a day. To report crimes on the Havelock Campus, please call 252-444-3343. For emergencies or crimes in progress, dial 911.

Any College employee who becomes aware of allegations of sexual misconduct should immediately report the issue to the Title IX Coordinator or the Campus Security Office, to allow the College to conduct an investigation.

Off-Campus Student Organizations

The College does not have any officially recognized student organizations with non-campus locations. On-campus student organizations and/or classes that engage in off-campus activities should report crime incidents to the local law enforcement agency where the incident occurred and to the Campus Security Office at 252-638-7261.

Employees participating in College-sponsored off-campus activities should also report crime incidents to the local law enforcement agency where the incident occurred and to the Campus Security office at 252-638-7261.

Collection of Evidence

After an incident of sexual assault, domestic violence, dating violence or stalking, the victim should consider seeking medical attention. For immediate and urgent medical concerns, go directly to the emergency department of your local hospital. If on campus, you can call the Campus Security Office 252-638-7261 or the Title IX Coordinator 252-638-7225, for transportation without having to make a report. For less immediate medical concerns, schedule an appointment with your primary care physician or an urgent care facility.

2019 Annual Security Report

In North Carolina, evidence may be collected even if you choose not to make a report to law enforcement. If you do not wish to make a report to law enforcement, please notify the Sexual Assault Nurse Examiner at the medical facility.

It is important that victims of sexual assault do not bathe, douche, smoke, change clothing or clean the bed/linen/area where they were assaulted if the offense occurred within the past 120 hours (5 days) so evidence may be preserved.

Typically, if law enforcement is involved or will be involved, they will obtain evidence from the scene, so it is best to leave things undisturbed until their arrival. They will gather bedding, linens or unlaundered clothing, and any other pertinent articles that may be used for evidence. It is best to allow law enforcement to secure items in evidence containers, but if you are involved in transmission of items of evidence, such as to the hospital, secure them in a clean paper bag or clean sheet to avoid contamination.

In circumstances of sexual assault, if victims do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or sexually transmitted disease. Victims of sexual assault, domestic violence, stalking, and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents that may be useful to College disciplinary proceedings or law enforcement investigations.

As time passes, evidence may dissipate or become lost or unavailable. This makes investigation, possible prosecution, disciplinary proceedings, or obtaining protection from abuse orders related to the incident more difficult. If a victim chooses not to make a complaint regarding an incident, he/she should still consider speaking with the Campus Security Office or law enforcement to preserve evidence in the event the victim changes his/her mind at a later date.

Reporting and Investigation Process

When appropriate upon receipt of notice, the Title IX Coordinator will cause a prompt, fair and impartial process to be initiated, commencing with an investigation, which may lead to the imposition of sanctions upon a responding student or other accused individual. Procedures detailing the investigation and resolution process of the College can be found online here:

<http://cravencc.edu/wp-content/uploads/admin/Guidelines-Responding-to-Complaints.pdf>.

The Title IX Coordinator is ultimately responsible for assuring in all cases that the behavior is brought to an end, the College acts to reasonably prevent its recurrence, and the effects on the victim and community are remedied.

2019 Annual Security Report

Allegations against Students

Anyone who believes that, due to the conduct of a College employee or another student, he/she has been the victim of sexual misconduct or who feels that he/she has been retaliated against for his/her good faith reporting of allegations or his/her participation in an investigation of alleged prohibited harassment or discrimination, should file a Title IX complaint with the Title IX Coordinator in the Human Resources Office.

Allegations against Employees

Any individual who believes that, due to the conduct of another College employee or student, he/she has been the victim of sexual misconduct or who feels that he/she has been retaliated against for his/her good faith reporting of allegations or his/her participation in an investigation of alleged prohibited harassment or discrimination, should file a Title IX complaint with the Title IX Coordinator in the Office of Human Resources to initiate an investigation.

Coordination with Law Enforcement

A College investigation with respect to Title IX is separate from a criminal investigation. It is the policy of Craven Community College not to notify local law enforcement when sexual misconduct occurs, unless a Reporting Party wishes or there is an emergency threat to health or safety.

A Reporting Party can file a police report for criminal investigation (pertaining to complaints alleging harassment or sexual misconduct that constitutes a criminal offense, such as assault, battery, rape or another form of violence or sexual violence) at any time, including during the duration of a Title IX investigation. The Title IX Coordinator will assist Reporting Party's in notifying law enforcement authorities, if they so choose.

Although the College strongly encourages all members of its community to report criminal violations of sexual misconduct to law enforcement, it is the victim's choice whether to make such a report and victims have the right to decline involvement with the police.

The Title IX Coordinator will coordinate with a criminal investigation as permitted by law. The Title IX investigation will continue to go forward during any criminal investigation.

Orders of Protection

Craven Community College employs interim protection measures such as interim suspensions and/or no contact orders in any case where a student's or employee's behavior represents a risk of violence, threat, pattern or predation. If a student or employee is accused of sexual misconduct, other gender-based violence, or the crimes of rape, sexual assault, sexual harassment, stalking, dating

2019 Annual Security Report

violence, or domestic violence, he/she is subject to action in accordance with the Student Code of Conduct, in the student handbook, or the Policies and Procedures of the College.

Protective measures for victims are available from the campus whether a victim chooses to report to local law enforcement and/or campus authorities, and irrespective of whether a victim pursues a formal complaint through the Craven Community College resolution process. Contact the Title IX Coordinator at 252-638-7225 or in Room 237 of the Brock Administration Building, if you need assistance with a no-contact order or other protective measures at the College. The Title IX Coordinator will also assist in any needed advocacy for students or employees who wish to obtain protective or restraining orders from local authorities. Craven Community College will abide by all “no-contact” orders, restraining orders or any civil or criminal order issued by the proper authority. The Campus Security Office and/or the Title IX Office, when notified by the victim, obtains copies of all such orders and retains a copy on file.

Campus Procedures for Addressing Sexual Misconduct, Dating Violence, Domestic Violence, Sexual Assault or Stalking

Title IX Policy

Title IX of the Education Amendments of 1972 states that: “No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.” Craven Community College is committed to providing a learning and working environment that promotes respect, responsibility and accountability in an environment free of sexual misconduct and discrimination. This refers to all forms of sexual discrimination, including: discrimination against pregnant and parenting students, sexual harassment, sexual assault and sexual violence by employees, students or third parties. Sexual misconduct and sexual violence are interpreted to include acts of dating violence, domestic violence, sexual assault and stalking.

If you feel you have been subjected to sexual harassment, discrimination or sexual misconduct, you should seek assistance as soon as possible. The College’s Title IX Coordinator is Denise Horne, Executive Director of Human Resources. The Title IX Coordinator is responsible for implementing and monitoring Craven Community College’s Title IX compliance. The Deputy Title IX Coordinator is Robert Bondurant, Director of Advising and Counseling.

When concerns are brought to the attention of the Title IX Coordinator or Deputy Coordinator or when they suspect that sexual or gender discrimination may be present, they are bound to initiate and oversee timely investigations.

Expectations with Respect to Consensual Relationships

Romantic or sexual relationships between individuals in unequal positions (such as teacher and student, supervisor and employee) may be less consensual than perceived by the individuals whose position confers power. The relationship also may be viewed in different ways by each of the parties, particularly in retrospect. Furthermore, circumstances may change, and conduct that was previously welcome may become unwelcome. Even when both parties have consented at the outset to a romantic or sexual involvement, this past consent may not remove grounds for a later charge of a violation of applicable policy/procedure.

Craven Community College BP 2.32, states, “It is the policy of the Board that faculty members or administrative staff shall not initiate, pursue, or be involved in any amorous or sexual relationships with any student whom they are in a position to evaluate or supervise by virtue of their teaching, research, or administrative responsibilities.

2019 Annual Security Report

Written Explanations of Student and Employee Rights and Options

When a student or employee reports to the College that the student or employee has been a victim of dating violence, domestic violence, sexual assault or stalking, whether the offense occurred on or off campus, the College will provide the student or employee with a written explanation of the student's or employee's rights and options.

Protective Measures

Craven Community College is able to offer reasonable academic or work environment supports, modifications to academic schedules or work assignments, security escorts, no contact orders, counseling access and other supports and resources as needed by an individual, following an allegation of sexual misconduct. These supports are available regardless of whether the victim chooses to report the crime to campus security or local law enforcement. The College is also able to offer information about legal assistance and student financial aid considerations for student victims. Written information about the above options and requests for such options should be made through the Title IX Coordinator.

Victim Notification

Upon written request, Craven Community College will disclose to the alleged victim of a crime of violence or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by the College against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased because of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph.

On and Off Campus Resources

The Title IX Coordinator will provide written information to offer assistance for victims in the form of interim or long-term measures and other assistance as may be appropriate and available on campus or in the community.

Craven Community College does not offer any on-campus health, mental health, victim advocacy, legal assistance or visa and immigration assistance. Counseling services for students are available in the First Stop or via referral to community resources. Student financial aid resources are available through the Financial Aid Department, located in the First Stop. Counseling services for employees are available through the Employee Assistance Program. For more information about these programs, please contact: Denise Horne, Executive Director of Human Resources and Title IX Coordinator, at 252-638-7225 or via email at horned@cravencc.edu.

The Title IX Coordinator maintains written information for students and employees about existing resources available within the larger community. If the victim so desires, that individual will be connected with an off-campus counselor, as well as an off-campus victims advocate. The College also

2019 Annual Security Report

maintains information on health, mental health, legal assistance, visa and immigration assistance and other services available for victims. No victim is required to take advantage of these services and resources; however, the College provides them in the hopes of offering help and support without condition or qualification.

Confidentiality & Privacy

The College will protect the victims and other necessary parties' privacy to the extent possible. Victims personally identifying information will not be included in any publicly available recordkeeping, including Clery Act reporting and disclosures such as the annual security report and the daily crime log. Individually identifying information for or about an individual, includes information likely to disclose the location of a victim, regardless of whether the information is encoded, encrypted, hashed or otherwise protected, including:

- A first and last name;
- A home or other physical address;
- Contact information (including a postal, e-mail or Internet protocol address, or telephone or facsimile number);
- A social security number, driver's license number, passport number or student identification number; and
- Any other information, including date of birth, racial or ethnic background, or religious affiliation that would serve to identify any individual.

In some situations, including those in which disciplinary action is a possible outcome, due process may require disclosure to persons accused. The Title IX Coordinator is responsible for determining what information about a victim should be disclosed and to whom this information will be disclosed.

The College is required by law to investigate complaints under this policy, but that investigation may be limited by the information provided by the Reporting Party and the Reporting Party's willingness to pursue a formal complaint. The College will make every reasonable effort to abide by the Reporting Party's wishes to remain anonymous; however, the College has to balance confidentiality with the safety of other members of the community. Factors that will be considered in determining whether to disclose a complaint or report of misconduct to an accused party include:

- The seriousness of the alleged conduct
- The victim's age
- Whether there have been other complaints about the same individual
- The Responding Party's rights to receive information about the allegations if the information is maintained by the College as an "education record," under the Family Educational Rights and Privacy Act (FERPA).

2019 Annual Security Report

If the College proceeds with an investigation or other response to the report, then the Title IX Coordinator will notify the Reporting Party before the Responding Party is contacted.

Craven Community College will also maintain privacy in relation to any accommodations or protective measures afforded to a Reporting Party, except to the extent necessary to provide the accommodations and/or protective measures. Typically, if faculty members or administrators are asked to provide accommodations for a specific student, they are told that such accommodations are necessary under Title IX or the Clery Act, but they are not given any details of the incident, or what kind of incident it is. The Title IX Coordinator is responsible for ensuring that the College discloses only that information which is necessary to provide the accommodations or protective measures in a timely manner. A victim will be informed before their personally identifying information is shared, if the College believes the personally identifying information is necessary to provide an accommodation or protective measure. The notification to the victim will include which information will be shared, with whom it will be shared and why. Irrespective of state law or public records access provisions, information about Reporting Party's are maintained privately in accordance with Title IX and FERPA.

Handling Confidential Reports

If the Reporting Party would like to remain anonymous, the Title IX Coordinator will:

- Explain that the College endeavors to investigate the allegations, as presented, without revealing the Reporting Party's identity, but the College cannot ensure complete confidentiality and may be limited in its ability to take disciplinary action if the Reporting Party desires to remain anonymous
- Explain that the College has an obligation to investigate as well as document the allegations and advise the Reporting Party about the right to make a confidential report for statistical inclusion in the annual security report
- To the extent practicable, provide resources and internally manage the Reporting Party's situation, as the College would if they did not request anonymity
- Ask the Reporting Party to acknowledge and sign a document confirming that he/she has requested anonymity and acknowledge that the College might be unable to take disciplinary action against the Responding Party.

How to Report Crimes Anonymously

There are several ways to report a crime anonymously. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. The College is required to keep an accurate record of the number of incidents involving students, employees and visitors; determine where there is a pattern of crime with regard to a particular location, method, or assailant; and alert the campus community to potential danger.

2019 Annual Security Report

If you are the victim of a crime at Craven Community College or while participating in a College-sponsored off-campus activity and do not want to pursue action through the College or the criminal justice system, you may still want to consider making a confidential report. Confidential crime reporting forms can be found on the College web site at <http://cravencc.edu/anonymous-reporting-form/>.

With your permission, the Title IX Coordinator, the CSA, or a Campus Security Officer can file a report on the details of the incident without revealing personally identifying information about the Responding Party. Reports filed in this manner are counted by the Clery Compliance Officer and disclosed in the College's Annual Crime Statistics.

Reports of crimes may also be made anonymously to Craven County Crime Stoppers at 252.633.5141. They will keep the caller's identity confidential and will refer crimes that occur on campus to the Campus Security Office.

If You Change Your Mind

A Reporting Party who at first requests confidentiality may later decide to file a complaint with the College or report the incident to local law enforcement and thus have the incident fully investigated. The Title IX Coordinator will provide the Reporting Party with assistance if the Reporting Party wishes to do so.

NOTE: If the College determines the Responding Party poses a serious and immediate threat to the College community, the College may be called upon to issue a timely warning to the community. Any such warning will not include any information that identifies the Reporting Party.

2019 Annual Security Report

Investigation Principles for Complaints of Sexual Misconduct

The College will investigate and act upon information provided about allegations of sexual misconduct and Title IX violations.

The College will notify all parties that the process from the initial investigation to the result will be conducted in a prompt, fair and impartial manner. Consistent with the goal to maximize educational and work opportunities and minimize the disruptive nature of the investigation and resolution, the Title IX Coordinator will seek to resolve all reports within one academic semester, depending on when the report is received. In general, an investigation may last up to sixty (60) business days, from receipt of notice from the Reporting Party of the intent to proceed with an investigation and sufficient information for the Title IX Coordinator to determine that the report raises a potential issue under the College's policies. Adjudication will generally take up to thirty (30) business days from the date of the investigative finding. Business days do not include weekends or holidays. The Title IX Coordinator may set reasonable time frames for required actions under the policy. Those time frames may be extended for good cause as necessary to ensure the integrity and completeness of the investigation, comply with a request by external law enforcement, accommodate the availability of witnesses, accommodate delays by the parties, account for College breaks or vacations or address other legitimate reasons, including the complexity of the investigation and the severity and extent of the alleged conduct. Any extension of the time frames, and the reason for extension, will be shared with the parties in writing.

Investigations and resolutions will be consistent with the College's policies and transparent to parties. In any complaint of sexual misconduct, sexual assault, stalking, dating violence, domestic violence or other sex or gender-based discrimination covered under federal laws or Title IX, the Reporting Party and the Responding Party are entitled to the same opportunities to fully participate in the process. This includes any meeting, conference, hearing, appeal or other procedural action. Both parties will be provided timely and equal access to any information that will be used during informal and formal disciplinary meetings and hearings.

Conflict of Interest

All proceedings pursuant to these policies and procedures will be conducted by officials who do not have a conflict of interest or bias for or against the Reporting Party or Responding Party.

If a conflict of interest is identified before an investigation has begun, the Title IX Coordinator will provide a secondary individual to assist with or take over the investigation.

If a conflict of interest is identified after an investigation has begun, the Investigator can continue to investigate if, after full disclosure of a potential conflict of interest, the Reporting Party and the

2019 Annual Security Report

Responding Party are given the opportunity to request a secondary individual to complete the investigation.

If the parties feel the Investigator can remain unbiased, they will be asked to sign a continuation agreement before the Investigator can continue.

Training of Officials

The Title IX Coordinator is responsible for assuring that training is conducted annually for all coordinators, investigators, hearing officers, panelists and appeals officers. Training will focus on sexual misconduct, domestic violence, dating violence, sexual assault, stalking, sexual harassment, retaliation and other behaviors that can be forms of sex or gender discrimination covered by Title IX and the Clery Act. Training will help those decision-makers in the process of conducting an investigation and hearing process that protects the safety of Reporting Party's and promotes accountability for those who commit offenses.

Role of Advisors

In any complaint of sexual misconduct, sexual assault, stalking, dating violence or domestic violence the Reporting Party and the Responding Party are entitled to the same opportunities for a support person of their choice to guide and accompany them throughout the campus resolution process. The advisor may be a friend, mentor, family member, attorney or any other supporter a party chooses to advise them.

The parties are entitled to be accompanied by their advisor in all meetings and interviews at which the party is entitled to be present, including intake, interviews, hearings and appeals. Advisors should help their advisees prepare for each meeting, and are expected to advise ethically, with integrity and in good faith. The College cannot guarantee equal advisory rights, meaning that if one party selects an advisor who is an attorney, but the other party does not, or cannot afford an attorney, the College is not obligated to provide one.

All advisors are subject to the same campus rules, whether they are attorneys or not. Advisors may not address campus officials in a meeting, interview or hearing unless invited to. Advisors may confer quietly with their advisees as necessary, as long as they do not disrupt the process. For longer or more involved discussions, the parties and their advisors should ask for breaks or step out of meetings to allow for private conversation. Advisors will typically be given an opportunity to meet in advance of any interview or hearing with the administrative officials conducting that interview or meeting. This pre-meeting will allow advisors to clarify any questions they may have, and allows the College an opportunity to clarify the role the advisor is expected to take. Advisors are expected to refrain from interference with the College investigation and resolution. Any advisor who steps out of their role in any meeting under the campus resolution process will be warned once and only once. If

2019 Annual Security Report

the advisor continues to disrupt or otherwise fails to respect the limits of the advisor role, the advisor will be asked to leave the meeting. When an advisor is removed from a meeting, that meeting will typically continue without the advisor present. Subsequently, the Title IX Coordinator will determine whether the advisor may be reinstated, may be replaced by a different advisor, or whether the party will forfeit the right to an advisor for the remainder of the process.

The College expects an advisor to adjust their schedule to allow them to attend campus meetings when scheduled. The College does not typically change scheduled meetings to accommodate an advisor's inability to attend. The College will, however make provisions to allow an advisor who cannot attend in person to attend a meeting by telephone, video and/or virtual meeting technologies as may be convenient and available. A party may elect to change advisors during the process, and is not locked into using the same advisor throughout.

Notice of Outcome

Parties will be informed, in writing of the results, including the finding, the sanctions (if any), and the rationale for the result. Written delivery of this outcome to both parties will occur simultaneously, without undue delay between notifications. All parties will be informed of the College's appeal processes, and their rights to exercise a request for appeal. Should any changes in outcome occur prior to finalization, both parties will be informed simultaneously in writing. Both parties will be notified in writing, simultaneously, when the results of the resolution process become final.

Standard of Evidence

During any institutional disciplinary proceeding arising from an allegation of dating violence, domestic violence, sexual assault or stalking, the standard that will be used is the preponderance of evidence. The preponderance of evidence standard states that it is "more likely than not" that the alleged conduct occurred. In campus hearings, legal terms like guilt, innocence, burden of proof, etc. are not applicable. Campus hearings are conducted to take into account the totality of all evidence available, from all relevant sources. A decision is made based solely upon the evidence and testimony presented during the proceeding.

Appeals

An appeal of a disciplinary decision is limited to allegations that the decision violates due process rights, meaning there has been a material deviation from the substantive and/or procedural due process standards adopted by Craven Community College. Appeals allow information presented at a hearing to be re-argued; however, it cannot include evidence that "no reasonable person" could have reached the conclusion made in the original decision. The Sexual Misconduct Appeal Form, along with instructions, can be found online at: <http://cravencc.edu/campus-security/title-ix-sexual-misconduct-appeal-form/>.

Sanctions

College Disciplinary Actions

For offenses including sexual misconduct or other gender based violence, which typically include the crimes of domestic violence, dating violence, sexual harassment, sexual misconduct, sexual assault and stalking, sanctions range from verbal or written warning to expulsion or termination of employment. Serious and violent incidents and acts of non-consensual sexual intercourse usually result in suspension, expulsion or termination of employment. Lying to investigators (and/or failing to participate in an investigation) can result in additional consequences under the Code of Student Conduct or the employment policies and procedures of the College.

The College in accordance with procedural safeguards applicable to disciplinary actions against students and employees will impose penalties. The penalties and due process applicable to students are set forth in the Student Handbook. The penalties and due process applicable to employees are set forth in the College's policies and procedures.

External Penalties

Under federal and state law, domestic violence, dating violence, sexual assault and stalking are criminal acts, which also subject perpetrators to criminal and civil penalties. In addition to any sanction that may be imposed by the College for violations of this policy, an individual who commits domestic violence, dating violence, sexual assault or stalking may be subject to criminal sanctions and personal civil liabilities independent of those imposed by the College. The Reporting Party or the Responding Party have the right to file a complaint with the appropriate local, state or federal agency or in a court of jurisdiction.

Retaliation

Both Title IX and the Clery Act provide protections for whistleblowers who bring allegations of non-compliance with the Clery Act and/or Title IX to the attention of appropriate campus administrators. Craven Community College does not retaliate against those who raise concerns of non-compliance. Any concerns should be brought to the immediate attention of the Title IX Coordinator and/or to officials of the U.S. Department of Education.

Definitions

Bystander is a witness or anyone who sees a dangerous or potentially dangerous situation.

Conduct of a sexual nature refers to sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature, including, but not limited to:

- Sexual advances;
- Sexual touching;
- Sexual graffiti;
- Displaying or distributing sexually explicit objects, drawings, pictures, and written materials;
- Sexual gestures;
- Sexual or “dirty” jokes;
- Requests for sexual favors;
- Touching oneself sexually or talking about one's sexual activity in front of others; or
- Spreading rumors about or rating other employees or students as to sexual activity or performance.

Hostile Environment is conduct that is directed toward a particular person or persons based upon the person's race/ethnicity, color, creed, national origin, religion, sex, sexual orientation, age, veteran status, political affiliation, genetic information, gender-identity, or disability. The conduct is unwelcome; severe or pervasive; objectively offensive; and unreasonably interferes with the target person's employment, academic pursuits, or participation in College-sponsored activities as to effectively deny equal access to the College's resources and opportunities. Hostile environment is determined by looking at the totality of the circumstances, including the frequency of the allegedly harassing conduct, its severity, whether it is physically threatening or humiliating, and whether the conduct unreasonably interferes with an individual's work performance, academic advancement, and participation in extracurricular activities or access to College services. Continuing verbal, nonverbal, or physical conduct of a sexual nature when the person or persons the conduct is directed toward has indicated clearly by word, writing, or action, this conduct is unwanted also constitutes sexual harassment. This includes unwelcome sexual advances and requests for sexual favors. In some cases, a single incident may be severe enough to constitute harassment. Examples of conduct that could create or contribute to hostile environment harassment may include but are not limited to:

- Unwelcome jokes about sex or sexual orientation;
- Offensive or degrading physical contact or coercive behavior, including stroking, patting or similar physical contact; or

2019 Annual Security Report

- Pictures, posters, graffiti or written materials displayed in a workplace or classroom which are objectively sexually offensive or obscene, and exceed the bounds of free speech protected by the Constitution.

Reporting Party is an individual alleging conduct prohibited under Title IX.

Responding Party is an individual accused of a violation under Title IX.

Retaliation is any act by a College employee or student of reprisal, interference, restraint, penalty, discrimination, coercion or harassment against an employee or student for using applicable policies responsibly.

Sexual Misconduct - includes the following:

Sexual Assault - an actual, attempted, or threatened sexual act with another person without that person's consent. Sexual assault is often a criminal act that can be prosecuted under State law, as well as form the basis for discipline under applicable College policy or regulations. Sexual assault includes but is not limited to:

- Involvement without consent in any sexual act in which there is force, expressed or implied, or use of duress, or deception upon the victim. Forced sexual intercourse is included in this definition as are the acts commonly referred to as "date rape" or "acquaintance rape." This definition also includes the coercing, forcing, or attempt to coerce or force sexual intercourse or a sexual act on another;
- Involvement in any sexual act when the victim is unable to give consent;
- Intentional and unwelcome touching, or coercing, forcing, or attempting to coerce or force another to touch a person's intimate parts;
- Offensive, illegal sexual behavior that is directed at another such as indecent exposure or voyeurism; or
- Non-forcible sex acts, including unlawful sexual acts where consent is not relevant, such as sexual contact with an individual under the statutory age of consent, as defined by State law, or between persons who are related to each other within degrees wherein marriage is prohibited by law.

Sex Discrimination - actions that subject individuals to unequal treatment on the basis of their sex, including but not limited to the improper exclusion of individuals from meetings or College activities.

Sexual Harassment - does not require physical contact but involves conduct that merely creates an unwelcome environment, as follows:

2019 Annual Security Report

- Sexual harassment involving an employee or student includes unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when submission to the conduct is made a term or condition of the employee's employment (either explicitly or implicitly); when submission to or rejection of the conduct is used as a basis for employment decisions affecting the employee; or when the conduct is sufficiently severe, persistent, or pervasive to interfere with the employee's work performance or to create an intimidating, hostile, or offensive working environment.
- Occasional compliments of a socially acceptable nature do not constitute sexual harassment. Similarly, circumstances such as the nature of course materials, educational programs, or other educational activity will be considered before a determination is made that behavior in such a context is prohibited conduct.
- Verbal or physical conduct of a sexually provocative, uncivil, or disrespectful nature at the College, whether or not it would be judged illegal as a matter of law, is unwelcome by the College and will not be tolerated. Nothing in these policies creates rights inconsistent with a zero tolerance for prohibited behavior. Furthermore, the College has the final word in interpreting these policies.

Sexual Violence is a severe form of sexual harassment that includes sexual assault and any sexual act that is completed or attempted against a victim's will or when a victim is unable to consent. The act may involve actual or threatened physical force, use of weapons, coercion, intimidation, or pressure.

Title IX of the Education Amendments of 1972 (20U.S.C. § 1681) is an all-encompassing federal law that prohibits discrimination based on sex in any federally funded education program or activity. "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance." Sexual misconduct may be so severe, persistent/pervasive, and objectively offensive as to limit, deprive, or deny educational access, benefits or opportunities.

Unwelcome signifies conduct that is not requested or invited and is regarded as offensive or undesirable.

MEMORANDUM

TO: Michelle Schilling, Deputy Director
FROM: R.M. (Mike) Brim, Criminal Justice Specialist/Investigator II
COPIES: Craven Community College accreditation file
SUBJECT: Accreditation Renewal Audit – Craven Community College
DATE: July 30, 2019

An accreditation renewal audit of Craven Community College (WCC) Commission accredited programs has been completed. Criminal Justice Standards Division (Division) Field Services Coordinator R.M. (Mike) Brim, on behalf of the NC Criminal Justice Education and Training Standards Commission (Commission), conducted the "on-site" visit on July 18th and concluded on July 23rd, 2019.

I was met by James Ward, Commission certified School Director for the Basic Law Enforcement Training (BLET) program, and Kathleen Johnson, Commission certified Qualified Assistant for the General Instructor Program and SMI Program. I found each of these individuals to be very supportive of the Commission programs and eager to achieve a successful audit.

Basic Law Enforcement Training Program

While auditing the BLET Program, Title 12 of the North Carolina Administrative Code (NCAC), the BLET program's course syllabus, and the Course Management Guide (CMG) were utilized to identify any deficiencies within this program.

Specifically, the FALL BLET program (01/07/19 – 06/21/19) at CCC was audited and divided into four (4) areas: Administrative; Facilities; Instructor and Student. No deficiencies were noted.

Administrative – An inspection of this area revealed that all administrative requirements were met.

Facilities – An inspection of this area revealed that all facilities meet all requirements and are approved for use at this time:

The following facilities meet all requirements and are approved for use:

- Classrooms
 - See Attached List
- Driving Range
 - West Craven High School Parking Lot 2600 Streets Ferry Road Vanceboro NC
- Firing Range
 - Craven LEO Association Range 1895 Spring Garden Road New Bern (Outdoor)
- POPAT course
 - Craven Community College PT Field (Outdoor)

- SCAT
 - Craven Community College Student Center Room 116

Instructors – A random sampling of instructor files were inspected and all instructor file requirements were met.

Students – A random sampling of student files were inspected and all student file requirements were met.

Speed Measuring Instrument Program

While auditing the SMI Program, Title 12 of the North Carolina Administrative Code (NCAC) and the SMI program's course syllabus were utilized to identify any deficiencies within this program.

Specifically, CCC's Radar Certification Class (09/10/18 – 09/14/18) was audited and divided into three (3) areas: Administrative; Facilities; and Instructor. No deficiencies were noted in any of these areas.

General Instructor Program

While auditing the General Instructor Program, Title 12 of the North Carolina Administrative Code (NCAC) and the General Instructor's program course syllabus were utilized to identify any deficiencies within this program.

Specifically, CCC's General Instructor program (04/01/19-04/12/19) was audited and divided into three (3) areas: Administrative; Facilities; and Instructor. No deficiencies were noted in any of these areas.

Please do not hesitate to contact me should you have any questions, comments or concerns regarding this accreditation renewal audit.

Re: NCSEAA Program Review Final Determination

Dear President Staats:

The North Carolina State Education Assistance Authority (NCSEAA) has completed a program review of the Education Lottery Scholarship (ELS), Forgivable Education Loans for Service Program (FELS), Child Welfare Postsecondary Support Program (NC REACH), and NC National Guard Tuition Assistance Program (NCTAP) programs at Craven Community College. The objective of the review was to ensure that State funds were spent in accordance with the purposes for which they were appropriated and the rules that govern their administration.

The program review scope was for the 2015-2016 and 2016-2017 academic years. Please note that the scope of the program review is not all inclusive. Therefore, the absence of statements in this letter regarding specific policies and procedures followed by your institution should not be construed as acceptance, approval or endorsement of that policy or procedure and does not lessen your obligation to comply with all relevant statutory and regulatory requirements for each of the programs that you help to administer.

The results of the program review did not disclose instances of noncompliance with the statutes, rules or policies that are relevant for each program. Since no significant matters of concern were detected, we do not require a response from your institution.

BACKGROUND

The North Carolina State Education Assistance Authority (NCSEAA) is the state agency charged with administering inter-institutional programs of student financial assistance, created by state and federal law, as well as private resources, designed to help North Carolinians meet the cost of higher education. One key responsibility of the Authority is to ensure that State funds are spent in accordance with the purposes for which they were appropriated and the rules that govern their administration.

SCOPE AND METHODOLOGY

The North Carolina State Education Assistance Authority conducted a program review that included, but was not limited to, the following areas:

- Eligibility
- Disbursements and refunds
- Records and reports
- Fiscal responsibility

The information used in this report was collected through the review of student records, reports and institutional policies and procedures to evaluate relevant institutional business processes; as well as, interviews with institutional staff members. The program reviewer randomly selected student record files for review. The personal identifying information of the sample students reviewed have been excluded from this report and replaced by identifying numbers.

This report documents the findings, if any, for each program reviewed. The details related to the findings and observations were shared with the appointed designee prior to the release of this report. Although the review was thorough, it is not necessarily all inclusive. Consequently, there may be matters of noncompliance that are not identified by this report. In areas of non-compliance, the NCSEAA will work with the institution to establish a corrective action plan that will strengthen the institution's capacity for compliance with program statutes and rules. The program review identifies and quantifies any institutional liabilities in which the institution must return the funds as appropriate.

Campus Life Activities and Events

- Panther Fest, which was moved to September 19th due to hurricane Dorian, was a huge success that was echoed by record-breaking attendance. Over two hundred students attended and signed up for punch cards allowing access to free food and free t-shirts (provided by the SGA). More importantly, students came into contact with all the resources available on campus as well as in their community.

SGA Events

- To follow up the 9/11 Tribute Thank you cards, members of SGA signed up to personally deliver thank you cards, that students wrote, to their respected first responders. SGA wanted to directly thank and express our gratitude our local first responders for the daily sacrifices they make to keep our community safe.

October 2019

The Foundation kicked off its annual campaigns in August at the College's Convocation event. This year's Community Campaign is co-chaired by Anne Schout and Pastor Linster Strayhorn. Hurst Student Ambassador and nursing student Megan Taylor is serving as the Chair of our Campus Campaign. As of September 23, 2019, the two campaigns combined have raised \$38,636. This is an increase over the previous years (FY 2018 & FY 2019) year to date.

The Foundation had a very successful Donor – Recipient Reception on Thursday, September 26, 2019 with over 175 attending this floating event. In addition to thanking scholarship donors for their support, Dr. David and Mrs. Anna Hurst were recognized for their major contribution to the Hurst Ambassador program. The members present from the Harold H. Bate Foundation were also recognized for their generous financial contribution to the students here at Craven Community College.

The weak fourth (4th) quarter performance of the stock market in general resulted in a decreased amount of endowment scholarship funds available. The Foundation was well positioned to cover the market instability and allocated \$40,000 from reserve funds to cover much of the shortfall. Despite the 4th quarter losses in calendar year 2018, the combined value of the Foundation's assets have rebounded and are currently at a historical high. As of August 31, 2019, the endowment portfolio (\$2,558,581) and other cash deposits (\$740,493) have a combined value of \$3,299,074. The funds on hand will ensure that the Foundation is well positioned to assist the financial needs of students attending Craven Community College.

The Foundation's Resource Development Committee is in the planning stages for the 2nd Annual Community Fabric Awards (CFA) kick-off dinner which will be held in late January or early February. This year marks the 10th anniversary of the CFA and we will return to the New Bern Convention Center on Tuesday April 28, 2020 at 12:00 PM.

The Lifetime Learning Center (LLC) will present a Bonus Art Film this Friday, October 18th with a showing of *Frida* at 2:30 & 3:30 in the Orringer Auditorium. Additional events scheduled for this year by the LLC include a day trip to the North Carolina Museum of Art on November 12th to see the exhibit *Frida Kahlo, Diego Rivera and Mexican Modernism*. On October 24th the LLC will embark on a Day trip to the Durham Performing Arts Center for the musical *Aladdin*; in addition, a

four (4) day adventure is planned for the *Blue Ridge Mountain Christmas* featuring the Grove Park Inn in Ashville, December 1st through the 4th.

The Foundation has received a \$5,000 scholarship grant from the Home Builders Association of Craven & Pamlico Counties. In addition, we anticipate receiving approximately \$1,000 from the Shop Class in downtown New Bern from the proceeds of the inaugural *Belt Sander Race & Chili Cook-Off* that was held on September 22nd. Both of these scholarship grants will be used to assist students at the Volt Center.
