# Re: <u>Evaluation of Statement of Economic Interest Filed by Dr. Ervin D. Patrick</u> Appointee to the Craven Community College Board of Trustees

Dear Chairman Liner:

Our office has received **Dr. Ervin D. Patrick's** 2019 Statement of Economic Interest as an appointee to the **Craven Community College Board of Trustees (the "Board")**. We have reviewed it for actual and potential conflicts of interest pursuant to Chapter 138A of the North Carolina General Statutes ("N.C.G.S."), also known as the State Government Ethics Act (the "Act").

Compliance with the Act and avoidance of conflicts of interest in the performance of public duties are the responsibilities of every covered person, regardless of this letter's contents. This letter, meanwhile, is not meant to impugn the integrity of the covered person in any way. This letter is required by N.C.G.S. § 138A-28(a) and is designed to educate the covered person as to potential issues that could merit particular attention. Advice on compliance with the Act is available to certain public servants and legislative employees under N.C.G.S. § 138A-13.

### We did not find an actual conflict of interest or the likelihood for a conflict of interest.

Chapter 115D provides for the establishment, organization, and administration of a system of community colleges throughout the State. N.C.G.S. §115D-14 grants the board of trustees of each institution the authority to acquire, hold, and transfer real and personal property, enter into contracts, institute and defend legal actions and suits, and exercise such other rights and privileges as may be necessary for the management and administration of the institution in accordance with the provisions and purposes of Chapter 115D. In addition, under N.C.G.S. §115D-58.7, trustees can designate banks, savings and loan associations, or trust companies as official depositories of the institution's funds.

The Act establishes ethical standards for certain public servants, and prohibits public servants from: (1) using their positions for their financial benefit or for the benefit of their extended family or business, N.C.G.S. § 138A-31; and (2) participating in official actions from which they or certain associated

George S. Liner, Chairman July 23, 2019 Page 2 of 2

persons might receive a reasonably foreseeable financial benefit, N.C.G.S. § 138A-36(a). The Act also requires public servants to take appropriate steps to remove themselves from proceedings in which their impartiality might reasonably be questioned due to a familial, personal, or financial relationship with a participant in those proceedings. N.C.G.S. § 138A-36(c).

Dr. Patrick fills the role of a member chosen by the Craven County Board of Commissioners. He is the director of human resources for the Craven County Schools.

In addition to the conflicts standards noted above, the Act prohibits public servants from accepting gifts from (1) a lobbyist or lobbyist principal, (2) a person or entity that is seeking to do business with the public servant's agency, is regulated or controlled by that agency, or has financial interests that might be affected by their official actions, or (3) anyone in return for being influenced in the discharge of their official responsibilities. N.C.G.S. § 138A-32. Exceptions to the gifts restrictions are set out in N.C.G.S. § 138A-32(e).

When this letter cites an actual or potential conflict of interest under N.C.G.S. § 138A-24(e), the conflict must be recorded in the minutes of the applicable board and brought to the membership's attention by the board's chair as often as necessary to remind all members of the conflict and to help ensure compliance with the Act. N.C.G.S. § 138A-15(c).

Finally, the Act mandates that all public servants attend an ethics and lobbying education presentation. N.C.G.S. § 138A-14. Please review the attached document for additional information concerning this requirement.

Please contact our office if you have any questions concerning our evaluation or the ethical standards governing public servants under the Act.

Sincerely,

Mary Roerden

### August 2019

The Foundation ended this last fiscal year strong. Financially, we ended the fiscal year with an increase in our cash balance of \$75,254. Funding for the year included \$51,159 in proceeds from the Community Fabric Awards; \$26,636 in proceeds from the Lifetime Learning Center and \$92,494 from the combined Campus and Community Campaigns. In addition, The Harold H. Bate Foundation awarded a grant of \$100,000.

Our endowment portfolio grew by \$205,270. This included the establishment of the New Bern Chamber Young Professional Group, the Hatcher, and the Durocher – Craven County Habitat for Humanity endowments. In addition we had major gifts added to the Russell/Ipock (\$47,139) and Christopher McQuade (\$24,494) endowments. The endowment portfolio took a hit in the market downturn in December, but regained those losses in the 3<sup>rd</sup> and 4<sup>th</sup> quarters ending the year with a net gain on investments of \$163,279.

In terms of scholarship funds awarded for the last academic year, we provided 420 students with \$278,900 in financial assistance. In addition we assisted one (1) faculty member and two (2) staff members with tuition assistance. We also assisted 15 faculty and staff members that received significant damage as a result of Hurricane Florence with \$500 grants.

The Lifetime Learning Center has seen a tremendous interest in planned travel events, both domestic and international and ended fiscal year 2019 far exceeding the anticipated goal. Planning is now well underway for the next year. Programs for 2019-20 will include a continuation of the very popular International Film Series, day trips to see performances and exhibits, North Carolina adventures, a visit to New York City and the Hudson Valley and a 14-day tour of Ireland in June.

Throughout this last year, the Foundation has continued to facilitate relationships with our campus community as well as our community-atlarge. We have a number of events for the upcoming year that will build on these relationships and continue to grow our efforts to raise funds for the benefit of Craven CC. Our board of directors is strong, engaged and energetic. We look forward to another great year!

Sincerely,

Jeff Williams, President Craven CC Foundation Board of Directors
