### **CONTINUOUS IMPROVEMENT**

The College shall ensure continuous improvement and demonstrated achievement of its mission through a systematic continuous improvement plan that incorporates comprehensive planning and evaluation. The Board shall review the continuous improvement plan at least annually as presented by the President. The President will ensure the development and maintenance of a continuous improvement plan, including a Quality Enhancement Plan, to meet the requirements as established by federal and state mandates and by the Southern Association of Colleges and Schools, Commission on Colleges (SACSCOC).
