CRAVEN CC TRANSITION NURSING ADMISSION RATING WORKSHEET – 2023SP

Applicants will be ranked based on TEAS test total Score and earned bonus points. Admission is determined by total points received. The program has limited enrollment; therefore, a waitlist of students will be developed each year. If a student slot opens before the beginning of the Spring 2023 semester, the Admissions Specialist will notify the next student in the order in which their names appear on the waitlist and offer a seat in the program. If an applicant is not selected, the applicant must reapply to enter the next fall. *Applicants are responsible for assuring the Admissions Office has received all information.*
