

A woman with dark curly hair, wearing a blue graduation cap and gown, is smiling and holding a baby. The baby is wearing a pink and yellow outfit and a green headband. The background shows other graduates in blue gowns and caps, some clapping. The scene is outdoors with greenery in the background.

COMMUNITY COLLEGE

# HOW FAR DO YOU WANT TO GO?

**T**ake the next step on your journey toward new opportunities with Craven Community College. Discover how our programs allow you to earn a quality education at an accredited college, while also providing you with the flexibility to stay local, keep working, and graduate with no college debt. With dozens of program opportunities and support services available in New Bern, Havelock, and online, the first step toward a college degree has never been easier.

## UNIVERSITY TRANSFER

Students work toward an Associate in Arts, Science, Engineering, or Fine Arts that prepares them to transfer to a four-year university to pursue a bachelor's degree or more. This path provides students with a high value college education at a fraction of the tuition cost seen at most four-year universities.

## CAREER & TECHNICAL

Many in-demand careers rely on employees with technical knowledge and skills. Utilizing our well-equipped labs and training facilities, students earn certificates, diplomas, and degrees related to welding, automotive, IT, aviation, criminal justice, and many more.

## HEALTHCARE PROGRAMS

The healthcare field offers a wide range of career opportunities. Get hands-on training and personalized instruction in programs such as nursing, health information technology, physical therapist assistant, pharmacy technology, medical office administration, and others.

## WORKFORCE DEVELOPMENT

Many careers require employees to continue their education to stay updated on the latest technologies and trends, while others require specific certifications before starting work. We provide short-term training for industry needs, ranging from construction and truck driving to welding and first responder certifications.

# EXPAND YOUR HORIZONS

Through our programs, clubs, and community service partnerships, we aspire to expose all students to experiences that enrich their educational and career goals. Craven CC has an active Student Government Association, Hurst Student Ambassadors program, and more than 15 clubs and organizations. Our leaders work hard to sponsor international trips, community events, and volunteer opportunities so students can enjoy a college experience beyond classrooms, textbooks, and computer screens.

**47%**  
AVERAGE SAVINGS  
ON 4-YEAR DEGREE\*

# LOWER YOUR COSTS

A college education is valuable, but it does not have to be a financial burden. Thanks to scholarship support from the Craven CC Foundation, as well as federal grants and loans, Craven CC students have received \$7,466,752 in financial support.

You can save up to 47% on your total tuition costs for a four-year degree by completing the first two years of college at Craven before transferring to a university. High school students are also eligible for free college transfer classes through the Career & College Promise program, which are available to all high school students in Craven County.
