## CRAVEN CC ASSOCIATE DEGREE NURSING ADMISSION RATING WORKSHEET – 2023 Fall

For each applicant, earned bonus points will be added to the TEAS total score to achieve a point total. Qualified applicants will be ranked by total points achieved. Since the nursing program has limited enrollment, the top-ranking applicants will be accepted and remaining students will be placed on a waitlist. If a space opens prior to the beginning of the Fall 2023 semester, the next student on the waitlist will be offered a seat in the nursing program. The waitlist is effective only during the current application period and all students are removed from the waitlist once the semester begins. If an applicant is not selected, they can reapply during the next application period. *Applicants are responsible for assuring the Admissions Office has received **all** required documentation.*
