Explorations in The ARTS

Collaborations

Simon Spalding, Tracey Brenneman, and Big Jim and Kathleen Kohler

Friday, November 18 at 7:30 p.m. - Orringer Auditorium

Collaborations, is a one-of-a-kind, one-night only musical event, that will combine the talents of four outstanding New Bern performers. Although well known throughout the community, these artists rarely have an opportunity to collaborate. That's exactly what they'll do, as we turn the Orringer stage over to these musicians so they can come together for an evening full of surprises.

Simon Spalding performs locally solo, with his wife Sara in *Tuppence*, in the Rock & Roll band *The Bears*, as well as in local musicals. He will perform on a variety of stringed instruments to present music he doesn't usually get to get to share, including some of his originals. In the show's first half, Simon will also share the stage with Tracey Brenneman, who can usually be found performing with the touring band *Second Helping*, singing and playing keyboard and guitar. Tracey will present several of her original songs, accompanied by Simon.

Big Jim Kohler has achieved legendary status as a performer of Chicago-style Blues with his voice and guitar. He too has a musical side his usual audiences don't often hear. He will be joined by his wife Kathleen and by Simon to present raucous Irish pub-style music. The show will close with songs featuring all four performers.

NC Baroque Orchestra

A Stranger in a Strange Land

Thursday, April 20 at 7:30 p.m. - Orringer Auditorium

Join the North Carolina Baroque Orchestra as they explore musical cross pollination and outsider composers. Some of these composers spent time away from their birth countries, learning from, being inspired by, and imitating composers in the lands they visited, and some of the works come from composers who were "outsiders" by dint of race or gender.

From the traveling musicians, you will hear the influences of their birth places, along with new influences from their adventures to other lands. Georg Frideric Handel was born in Germany, studied and made his first mark in Italy, spent his career in England. Willem de Fesch of the Netherlands joined Handel's orchestra in London. Jean-Baptiste Lully, consummate Frenchman was born Giovanni Battista Lulli in Italy. Joseph Bologne, Chevalier de Saint-Georges traveled from his birthplace, the French colony of Guadeloupe, to France. Born to a French planter and an enslaved African woman, Chevalier de Saint-Georges gained his education and his musical training in France. Elisabeth Jacquet de la Guerre, though living her life in France, made a place for herself as one of the very few women in professional music life in France.

All of the featured composers wrote music that was vivid, charming, exciting and moving. NCBO will bring you a lively and engaging evening of musical storytelling.

LLC Program Participation & Registration

Day and Regional Trip Registration

Enrollment space for LLC day trips and regional travel programs is limited to the capacity of our motorcoach, the availability of tickets and other booking factors associated with group admissions. To reserve a place on any of these trips, ALL fees must be paid at the time of registration. Early registration is highly recommended as the trips tend to “sell out” very quickly.

To register and pay fees online, visit our website at www.CravenCC.edu/LLC. From the left column select “Tickets and Registration,” then scroll down the page until you find the event that interests you. Follow the instructions to enter your payment information.

If you have questions about the online process, or would prefer to register by telephone or send a payment by check, please call us at (252) 638-7351 for assistance. Our office hours are Monday to Thursday, 8 a.m. to 5:30 p.m. and Fridays, 8 a.m. to 2:30 p.m.

USA Adventures and International Travel

Registration deposits, fees and final payments for out-of-state or out-of-country travel where the LLC contracts with a tour company will follow a payment schedule specific to each trip. Many of the payments for these trips are paid directly to one of our group travel partners. Rules for refunds and the specific details for each trip will be posted on our website.

Please note that Craven Community College requires that each person participating in an extended trip must sign a liability waiver and purchase cancellation and post-departure emergency insurance. We offer a reasonably priced option with each trip that we sponsor. Participants who have other travel insurance coverage may opt-out of our offer, but they are required to provide Craven Community College with proof of insurance that specifically documents insurance coverage equivalent to our minimum standards.

Refund Policy

Tickets purchased for Explorations in The ARTS events or our Performance Day Trips are not refundable. However, the tickets or registrations are transferable. If you are unable to attend an event that you have registered and paid for, you are welcome to share your tickets or transfer the registration to another person.

One-to four-day trip registration fees are not refundable. These are the only exceptions: 1) the predetermined minimum enrollment is not met, and the trip is cancelled due to low enrollment; or 2) the college, or the performance, or exhibit venue determines that due to threatening weather or unsafe conditions we must cancel a trip or performance. **No refunds will be offered if a new date is selected and the program is completed as advertised.**

There are no refunds offered after an event has occurred. A refund of fees to a registered participant will only occur when a cancellation is made in advance of the event AND a replacement from the waiting list registers for the open spot. We understand that “life happens,” so please contact us as soon as possible if last-minute circumstances arise. We often have an extensive waiting list for each day trip and we will attempt to fill a spot if we are notified.
