Re: <u>Evaluation of Statement of Economic Interest - Pamela S. Holder</u> Member - Craven Community College Board of Trustees

Dear Madam Chair:

Our office has received a 2022 Statement of Economic Interest from **Ms. Pam Holder** as a member of **Craven Community College Board of Trustees** ("the Board"). We have reviewed it for actual and potential conflicts of interest pursuant to Chapter 138A of the North Carolina General Statutes ("N.C.G.S."), also known as the State Government Ethics Act ("the Act").

Compliance with the Act and avoidance of conflicts of interest in the performance of public duties are the responsibilities of every covered person, regardless of this letter's contents. This letter, meanwhile, is not meant to impugn the integrity of the covered person in any way. This letter is required by N.C.G.S. § 138A-28(a) and is designed to educate the covered person as to potential issues that could merit particular attention. Advice on compliance with the Act is available to certain public servants and legislative employees under N.C.G.S. § 138A-13.

Chapter 115D provides for the establishment, organization, and administration of a system of community colleges throughout the State. N.C.G.S. §115D-14 grants the board of trustees of each institution the authority to acquire, hold, and transfer real and personal property, enter into contracts, institute and defend legal actions and suits, and exercise such other rights and privileges as may be necessary for the management and administration of the institution in accordance with the provisions and purposes of Chapter 115D. In addition, under N.C.G.S. §115D-58.7, trustees can designate banks, savings and loan associations, or trust companies as official depositories of the institution's funds.

We did not find an actual conflict of interest, but found the potential for a conflict of interest. The potential conflict identified does not prohibit service on this entity.

The Act establishes ethical standards for certain public servants, and prohibits public servants from: (1) using their positions for their financial benefit or for the benefit of their extended family or business, N.C.G.S. § 138A-31; and (2) participating in official actions from which they or certain associated persons might receive a reasonably foreseeable financial benefit, N.C.G.S. § 138A-36(a). The Act also requires public servants to take appropriate steps to remove themselves from proceedings in which their impartiality might reasonably be questioned due to

a familial, personal, or financial relationship with a participant in those proceedings. N.C.G.S. § 138A-36(c).

Ms. Holder is an At Large member of the Board of Trustees. She is the Sales Manager for Havelock Tourist & Event Center, a city-owned visitor center and venue. Because Havelock Tourist and Event Center may seek to do business with Craven Community College, Ms. Holder has the potential for a conflict of interest. Accordingly, she should exercise appropriate caution in the performance of her public duties should the Havelock Center come before the Board for official action.

In addition to the conflicts standards noted above, the Act prohibits public servants from accepting gifts from (1) a lobbyist or lobbyist principal, (2) a person or entity that is seeking to do business with the public servant's agency, is regulated or controlled by that agency, or has financial interests that might be affected by their official actions, or (3) anyone in return for being influenced in the discharge of their official responsibilities. N.C.G.S. § 138A-32. Exceptions to the gifts restrictions are set out in N.C.G.S. § 138A-32(e).

Finally, the Act mandates that all public servants attend an ethics and lobbying education presentation. N.C.G.S. § 138A-14. Please review the attached document for additional information concerning this requirement.

Please contact our office if you have questions concerning our evaluation or the ethical standards governing public servants under the Act.

Sincerely,

Susanne L. Sing, Compliance Analyst

Re: <u>Evaluation of Statement of Economic Interest - Augustus Drewry Willis, IV</u> Member - Craven Community College Board of Trustees

Dear Mister Chair:

Our office has received a 2022 Statement of Economic Interest from **Mr. Augustus Willis** as a member of **Craven Community College Board of Trustees** ("the Board"). We have reviewed it for actual and potential conflicts of interest pursuant to Chapter 138A of the North Carolina General Statutes ("N.C.G.S."), also known as the State Government Ethics Act ("the Act").

a familial, personal, or financial relationship with a participant in those proceedings. N.C.G.S. § 138A-36(c).

Mr. Willis is an At Large member of the Board of Trustees. He is the assistant district attorney for Carteret, Craven, and Pamlico counties. His spouse is the chief operating officer of Coastal Carolina Health Care. Because Coastal Carolina Health Care may seek to do business with Craven Community College, Mr. Willis has the potential of a conflict of interest. Accordingly, he should exercise appropriate caution in the performance of his public duties should Coastal Carolina Health Care system come before the Board for official action.

In addition to the conflicts standards noted above, the Act prohibits public servants from accepting gifts from (1) a lobbyist or lobbyist principal, (2) a person or entity that is seeking to do business with the public servant's agency, is regulated or controlled by that agency, or has financial interests that might be affected by their official actions, or (3) anyone in return for being influenced in the discharge of their official responsibilities. PERSONAL OBSERVANCE LEAVE

Legal Authority: NCGS 143A-4, 143B-4 (EO 262, 6/6/2022); NCGS 126-4; 1C SBCCC 200.94(a)(20)

PERSONAL OBSERVANCE LEAVE

The College employs a robust and diverse workforce, reflecting the multiple cultural and religious communities within our region. The College provides up to eight hours of fully paid leave to eligible employees for a day of observance to utilize on a day of personal significance, including days of cultural or religious importance.

Eligibility for Personal Observance Leave

Full-time <u>regular</u> administrator, faculty, and staff employees are eligible for one day (up to eight hours) per calendar year.

Part-time (≥ 20 hours per week) <u>regular</u> administrator and staff employees are eligible for one day per calendar year, with the number of hours available being pro-rated based on the number of scheduled hours worked versus full time.

Temporary employees and adjunct faculty/instructors are not eligible for Personal Observance Leave.

Use of Personal Observance Leave

Personal Observance Leave must be used in a single day of scheduled work. Employees may use Personal Observance Leave for any day of personal significance. This includes, but is not limited to, days of cultural or religious importance. The day used for Personal Observance Leave does not have to be a day from the employee's own religious or cultural background.

Personal Observance Leave may be taken by an employee only upon authorization by the employee's immediate supervisor. The College, to the greatest extent possible, will allow employees to use the leave at the time requested. However, the supervisor or other manager may require that the Personal Observance Leave be taken at a time other than the one requested, based on the needs of the College.

Supervisors should not require a justification from the employee to utilize the Personal Observance Leave.

Employees may use Personal Observance Leave in conjunction with other types of authorized leave with the exception of sick leave.

Faculty must use Personal Observance Leave on a non-teaching day, such as a faculty workday or other day when not scheduled to teach classes.

Initial and Annual Crediting of Personal Observance Leave

All current employees will be initially credited with Personal Observance Leave on August 19, 2022, based on their employment classification on that date. Subsequent changes in status to or from full-time/part-time status will not affect the amount of leave credited. Leave must be used on or before December 31, 2022. Unused leave is not carried forward and is forfeited.

On January 1 of each year, all current employees will be credited with Personal Observance Leave based on their employment classification as that date. Subsequent changes in status to or from full-time/part-time status during the calendar year will not affect the amount of leave credited. Leave must be used on or before December 31 of that calendar year. Unused leave is not carried forward and is forfeited.

New employees will be initially credited with Personal Observance Leave on their first day of employment based on their employment classification. This initial leave must be used on or before December 31 of that calendar year. Unused leave is not carried forward and is forfeited.

Employees transferring from other institutions that award Personal Observance Leave and those employees previously separated from the College will be credited with Personal Observance Leave on their first day of employment based on their employment classification, provided they have not previously used Personal Observance Leave during the current calendar year. Leave must be used on or before December 31 of that calendar year. Unused leave is not carried forward and is forfeited.

Employees transferring from the College to another eligible institution may transfer Personal Observance Leave, subject to the receiving institution's Policies and limitations, which may preclude such transfer.

Additional Limitations on Personal Observance Leave

Personal Observance Leave has no cash value and cannot be converted into retirement credit. Employees shall not be paid for unused Personal Observance Leave at separation. This leave shall not be payable upon the death of an employee during College service.

Personal Observance Leave cannot be applied to existing negative leave balances and cannot be donated under the Voluntary Shared Leave Policy.

Personal Observance Leave may not be used for the same purposes as sick leave.

August 2022

I am very pleased to report that the Foundation has wrapped up yet another successful year.

As we review the past fiscal year, the Foundation added 5 new endowments that were funded with a combined total of \$121,472, additional contributions to existing endowments totaled \$45,216 for combined endowment contributions of \$166,688.

The Endowment investment Portfolio ended the year at \$2.8 million. This is a decrease of \$506,182 from the same time last year. The decrease was driven by market fluctuations. The Total Fund Balance ended the year at \$3,643,447. This is a decrease of \$344,668 and again is driven largely by the market drop with our investments. The Net Operating Income for the year was \$161,076.

The Foundation transferred \$14,188 to the Campus Fund for future College initiatives and reserved an additional \$25,000 in this account to transfer in the current fiscal year to the newly created Toolbelt Trust. With additional funds from the Foundation, and \$20,278 that was allocated from the Harold H. Bate Foundation, The Toolbelt Trust will start with an initial funding of \$57,278.

The Foundation scholarships paid for FY '22 was \$312,844. For FY '23 the proposed budget is \$467,000. The Financial Aid Office, Business Office and Foundation regularly review the scholarships to assure that we are fully awarding all possible monies available.

The Community Fabric Awards returned to an in-person event at the New Bern Convention Center this year. This event was a huge success, attended by over 450 individuals and business leaders from throughout area. This year's event netted \$50,934.

The Lifetime Learning Center is excited to be back on track with trips and events planned. We are seeing a steady increase in participation as more individuals are more comfortable with attending events and travel.

Despite the market fluctuations in our investment portfolio, the Foundation is in good financial standing and continues to show growth in both operating income and scholarships awarded.
