

**NEW BERN CAMPUS**  
[CravenCC.edu/SummerCamps](http://CravenCC.edu/SummerCamps)

## FULL STEAM AHEAD

**Rising 6th-8th graders**  
**July 8-12 • \$125**

Delve into Science, Technology, Engineering, Art, and Math (STEAM) in this week of fun and engaging hands-on activities. Participants will explore solar painting, creating soap-powered boats, designing and building a space lander, making ice cream, shooting Alka-Seltzer rockets, experiencing virtual reality, and much more. Join us for fun in the lab while we develop new skills and improve our creativity along the way.

## FULL STEAM AHEAD JUNIOR

**Rising 3rd-5th graders**  
**July 15-19 • \$125**

Delve into Science, Technology, Engineering, Art, and Math (STEAM) with fun and engaging hands-on activities. Participants will explore making ice cream, colorful slime, and yummy gummy worms; shooting Alka-Seltzer rockets; tie dyeing shirts; and much more. Join us for fun in the lab while we develop new skills and improve our creativity along the way.

## CREATIVE HANDS

**Rising 3rd-5th graders**  
**July 22-26 • \$125**

Learn how to make fun, creative creatures and other ceramic pieces using pinch, roll, and other hand-building techniques. Pieces will come to life as young potters learn to glaze and fire their work. Campers will take home their works of art to provide lasting memories.\*

## GLAZED AND AMAZED

**Rising 6th-8th graders**  
**July 29-August 2 • \$125**

Learn how to make bowls and other ceramic pieces using pinch, roll, and other hand-building techniques. Potters will learn to glaze and fire their work, and will take home their works of art to provide lasting memories.\*

\*Since the pottery won't be done in time for campers to take home at the end of camp, parents and campers are invited to attend a Student Art Show on Thursday, August 8 from 5 to 6 p.m.
