¹This state may also require applicants for licensure to successfully complete a state jurisprudence examination.

²This state offers cross-over programs that allow cosmetologists to seek licensure as a barber, and vice versa, by completing a specified number of additional hours. For more information, please visit the State Board's website.

³This state offers licenses for cosmetology sub-specialties, including beauticians, hair cutters, hair designers, hair dressers, and hair stylists, which typically have lower training hour requirement. For more information, please visit the state's Board website.

⁴This state uses the National Interstate Council of State Boards of Cosmetology (NIC) examinations to test applicants' fitness to practice. For more information about the NIC, please see <https://nictesting.org/>.
