

TWO NEW CAMPS!

NEW BERN CAMPUS
CravenCC.edu/SummerCamps

FULL STEAM AHEAD JUNIOR

 **Rising 3rd-5th graders** 
June 16-20

Explore Science, Technology, Engineering, Art, and Math (STEAM) in this week of fun and engaging hands-on activities. Participants will have a blast with STEAM applications through making ice cream, colorful slime, and yummy gummy worms; shooting Alka-Seltzer rockets; tie-dying shirts; and much more. Join us for fun in the lab while we develop new skills and improve our creativity along the way.

WRITE ON!

 **Rising 6th-8th graders** 
July 14-18

Calling all young writers! Whether you love crafting stories, exploring poetry, or diving into creative nonfiction, this is the place to spark your imagination. Join us for a fun and inspiring week filled with interactive writing workshops, creative challenges, AI prompt writing, and more. Campers are invited to the Showcase to receive a printed "anthology" of their work to provide lasting memories.*

FULL STEAM AHEAD

 **Rising 6th-8th graders** 
June 23-27

Explore Science, Technology, Engineering, Art, and Math (STEAM) in this week of fun and engaging hands-on activities. Participants will have a blast with STEAM applications through solar painting, creating soap-powered boats, designing, and building a space lander, making ice cream, shooting Alka-Seltzer rockets, experiencing virtual reality, and much more. Join us for fun in the lab while we develop new skills and improve our creativity along the way.

CREATIVE HANDS

 **Rising 3rd-5th graders** 
July 14-18

Learn how to make fun, creative creatures and other ceramic pieces using pinch, roll, and other hand-building techniques. Pieces will come to life as young potters learn to glaze and fire their work. Campers will take home their works of art to provide lasting memories.*

GLAZED AND AMAZED

 **Rising 6th-8th graders** 
July 7-11

Learn how to make bowls and other ceramic pieces using pinch, roll, and other hand-building techniques. Potters will learn to glaze and fire their work and will take home their works of art to provide lasting memories.*

MUSIC CAMP

 **Rising 3rd-5th graders** 
July 21-25

Discover the joys of music and learn to play the ukulele, regardless of experience level. Campers will explore the history of the ukulele while learning melodies, strumming patterns, and chords, and maybe even composing their very first song! Campers will have the opportunity to showcase everything they learned.*

*Some projects won't be finished in time for campers to take home at end of their camp. Join us on Tuesday, July 29 at 5:30 p.m. for the Multi-Camp Showcase featuring pottery, literature, and a musical performance to celebrate our campers' hard work!
