Verification of 2024 Income Information for Parent Non-tax Filers

The instructions and certifications below apply to each parent included in the household. Complete this section if the parents will not file and are not required to file a 2024 income tax return with the IRS.

By completing this document, I certify that I have not filed and am not required to file a 2024 income tax return, and I have listed all income earned from work, other income, and resources for the 2024 tax year.

Check the boxes that apply:

- Neither parent was employed, and neither had income earned from work in 2024.
- One or both parents were employed in 2024 and have listed below the names of all employers, the amount earned from each employer in 2024, and whether an IRS W-2 form or an equivalent document is provided. [Provide copies of all 2024 IRS W-2 forms issued to the parents by their employers]. List every employer even if the employer did not issue an IRS W-2 form.

If more space is needed, provide a separate page with the student's name and ID number at the top.
