Admission Requirements

Esthetics is a selective admissions program. It has fall semester entrance only and does not have a summer term. Entry is competitive; in the case that two or more students receive equal scoring, the earliest date of application to the program will be used to determine the entering candidate. *Applications are accepted up until first day of classes.*

- A student who wishes to apply for the Esthetic Program must meet the following requirements:
- Complete the Craven Community College application process (application, submission of all transcripts and completion of appropriate placement test).
- Fulfill all developmental requirements prior to admission into the program, i.e. place out of DMA xxxx and DRE 096.
- Submit the Esthetic Program Application and two Craven Community College Esthetics Program Personal Reference forms completed by non-family members prior to last working day in July deadline.
- Attend an individual information session with Cosmetic Arts Faculty member prior to the end of summer semester.
- Upon acceptance, applicants must submit complete immunization history forms, including PPD test, Hepatitis B series and Tetanus booster.

For information about graduation requirements, prerequisites and corequisites, please refer to the catalog.
